ASLI NEWSLETTER

Dear ASLI Family,

We are now about to enter the easter month, Easter is one of the principal holidays, or feasts, of Christianity. It commemorates Jesus' Resurrection three days after his crucifixion. Easter marks the joyful conclusion of the Lenten season of fasting and penitence for many Christian churches. As an educational provider, we believe that it is important to celebrate different cultures and religions to imbibe tolerance and open-mindedness amongst our students.

International Women's Day at ASLI

In some workplaces, every day is a women's day, and we believe this is especially true at ASLI. We celebrated International Women's Day at ASLI on March 8, 2023. We enjoyed cake with Morning tea and lunch and had a great time. We as staff have taken initiative to put together our thoughts for the day though a small video. the video can be seen at by using this link or directly from ASLI's facebook page. <https://fb.watch/jyKFmEdcxa/>

Holi At ASLI: We celebrate a variety of festivals in order to preserve traditions and culture. We recently celebrated Holi, "the festival of colours," at ASLI on Wednesday, March 8, 2023, with lots of fun and delicious food. ASLI is a cultural melting pot; participating in the Holi celebration encouraged everyone to blend in even more.

We are looking forward to celebrating more cultural occasions.

Take Care!!
