- 25: Anzac Day (Public Holiday)

### May

- 12: Orientation day for May 2022 intake
- 15: Proposed start date for May intake

Dear ASLI Family,

Hope you had a good start of the year. It has not been an ideal start, but it certainly was lovely having all the students return to Campus for face-to-face study.

The pandemic has caused a rethink in how we operate and communicate. Besides it also taught us empathy for others, what it is to love and how it could be lost in the blink of an eye. ASLI staff has supported their students during this difficult time to pay fees in easy installments, waiver of late payment of fees along with various type of support from Admin & Training team, and we are always happy to provide you with more support if required.

Just to come out of this unpleasant year of lockdown and restrictions we have finally managed to celebrate Easter with our lovely students. Some of the beautiful captures can be seen on page two. For more photos, & videos visit our Facebook page.

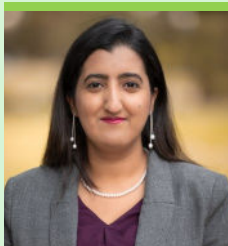

On Monday 11th April 2022 we also welcomed our April intake students. Staff and students have a good time interacting with each other.

ASLI is also sharing very good news regarding the Graduation Ceremony for our 2020/2021 graduates who couldn't have this event earlier due to the lockdown restrictions. Our staff will be sharing emails by the end of April for expression of interest. Further dates of this event will be shared soon.

Blessings & have a safe Easter!!

**Roopsirat K Sekhon**  
Campus Manager

### Dear ASLI Students & Business Partners,

As we have returned to normal classes, this year but the journey until now has not been easy. However, I know for most of us, the spread of Omicron variant of COVID caused some

stress and anxiety and much disruption. In order to contribute to smooth functioning during this pandemic, ASLI has offered flexible online learning with one-on-one support. Our dedicated staff has helped students with amended training plans and interventions whenever required. On 22 April 2022, we have work placement Induction Day for commercial cookery students at ASLI Lonsdale Street Campus. Please don't hesitate to ask for help or support whenever you need. Trainers and student support staff all are on hand to assist you with your learning experience at ASLI.

I extend a very warm welcome to all students who are new to the ASLI community this year.

**Gulbeen Dhillon**  
Training Manager
