ASLI 2023 Highlights

On behalf of ASLI management and team, we'd like to extend warm wishes to everyone for a merry Christmas and a joyous New Year. A heartfelt thank you goes out to each of you, not just for making this year memorable and successful, but also for your unwavering commitment and dedication in the years ahead. Now, let's take a moment to share ASLI's 2023 highlights.

We began this year with a great number of new students and successful completions. We love focusing on the betterment of our students and staff's dedication to enhancing our students' experiences remained unwavering.

Beyond the academic curriculum, ASLI places emphasis on holistic development. Echoing the previous year's tradition, we celebrated Women's Day at ASLI, where our passionate staff and students crafted an inspiring video emphasizing the significance of the day.

Easter festivities also marked a highlight, with students enthusiastically participating in egg hunts and receiving delightful goodie bags.

Every student at ASLI holds a special place in our hearts. Throughout their time with us, a strong connection forms between our staff and these students. This bond was evident at our Alumni Meet, where past graduates reunited with our team and current students. Over a meal, they reminisced about their time at ASLI, and it was deeply moving to hear how we played a part in their current success and personal growth.

"R U OK Day? It is not just an annual event at ASLI; it is a part of our everyday interactions. While we mark the official day once a year, we genuinely check in on one another daily. We value meaningful conversations, often taking the opportunity during lunch breaks to connect with our students and ensure they're doing well.

Excursions play a pivotal role in a student's educational journey. At ASLI, we have consistently prioritized these excursions, recognizing their value. These outings not only enriched their understanding of their studies but also fostered a deeper connection between theoretical knowledge and practical application, making learning more engaging and meaningful for them.

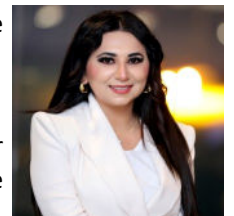

Last year, we started a tradition at ASLI with our Graduation ceremony, and it continued to shine brightly this year. It was a proud moment as graduates received awards and gave impressive performances. A delicious lunch by our students showcasing their culinary skills and ensuring everyone had a delightful meal. To top it all off, a raffle for an iPhone 14 Pro Max added excitement, won by a fortunate student.

ASLI organized the Agent Meet 2023 dinner to honor and appreciate our valued education agents. Through this gathering, meaningful partnerships were forged, all aiming to positively influence the educational paths of numerous students.

The vibrant spirit of ASLI was further showcased during our Diwali celebrations. Students from diverse backgrounds came together, celebrating unity through music, proving once again that music truly transcends borders.

Lastly, our commitment to keeping everyone informed remained strong with the continuation of our monthly newsletters throughout the year. We truly value the feedback we receive about these newsletters, whether it's directly to me or shared with our team. Your kind words and positive feedback genuinely inspire and motivate us. Knowing that our efforts are appreciated encourages us to strive even harder, ensuring that each edition of our newsletter is informative, engaging, and beneficial to our readers.

Once again, a heartfelt thank you to each and every one of you for being a crucial part of the ASLI community. Your support, trust, and guidance are invaluable to us, and with your continued involvement, we are certain to achieve even greater heights. ***Wishing you all a safe and enjoyable holiday season.***

Geelong Culinary Excursion: A Flavorful Journey with Cookery Students

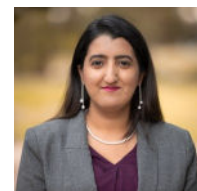

Dear Culinary Enthusiasts,

We hope this article finds you in high spirits and filled with the joy of the holiday season. As we bid farewell to another remarkable semester, we are thrilled to share the exciting culinary adventure that our cookery students embarked upon on December 14, 2023. Accompanied by the talented and seasoned trainer, Gaurav Thapliyal, our students set out on a memorable excursion to Geelong, unlocking a world of flavors, techniques, and culinary inspiration.

Geelong, known for its picturesque landscapes and vibrant culture, proved to be the perfect backdrop for our culinary exploration. Nestled by the bay, this charming city is home to a diverse culinary scene that ranges from traditional Australian fare to international delicacies. Our students had the unique opportunity to immerse themselves in this rich tapestry of gastronomy, gaining invaluable insights and practical experience that will undoubtedly shape their culinary journeys.

As we bid adieu to the semester and eagerly anticipate the adventures that the new year will bring, we carry with us the flavors, memories, and newfound skills from the Geelong excursion. Here's to a future filled with culinary delights and the continuous pursuit of excellence in the world of cookery.

Bon Appétit!
