

# AUSTRALIAN STUDY LINK INSTITUTE

## ASLI NEWSLETTER

Work limitations for overseas students on a student visa will be resumed on July 1, 2023, although at a higher level of 48 hours per fortnight. These new regulations aim to strike a balance between the needs of international students—enabling them to support themselves and gain valuable work experience—while ensuring they remain focused on their primary purpose of studying in Australia. More information regarding the capped hours can be found on the [Department of Home Affairs' website](#).

### Melbourne's now the 3rd most liveable city in the world

Melbourne has been titled as Australia's most liveable city yet again, and is now the world's third most liveable city! Melbourne has moved up seven ranks on this year's [Economist Intelligence Unit's Global Liveability Index 2023](#) Index 2023. Melbourne received a flawless score of 100 in five key categories, including Healthcare, Infrastructure, and Education.

### Free Event | Jul 29 | International Student Summit 2023

ISS 23 is the biggest Career and Employment Expo in Melbourne for International Students, featuring exhibitors from various industries, under one roof to help International students flourish in Australia. With returning and new exhibitors, we strive to provide services ranging from internship and employment opportunities to career coaching & counselling and many more.
