

UPDATES FROM TRAINING DEPARTMENT

By: Gulbeen Dhillon | Training Manager

Dear Students,

We hope you are enjoying your education journey at ASLI.

As a Training Manager, I always have been embracing every opportunity to speak with students before or after class times for a little chat to know if they need any additional training support from our side. We are always eager to know more about their journey of being international students at ASLI.

Apart from the theoretical and practical components of the curriculum, we also focus on delivering our courses in such a way to enhance our students' learning experience with more active learning and fun activities. Keeping this in mind we had our first Master Chef competition last year which took place on Tuesday 1st June 2021. Our students thoroughly enjoyed this event and the overwhelming response from our students encouraged us to organise season two of this competition. (Some Glimpse from "Master Chef Season One")

WE ARE CELEBRATING YOUR GRADUATION

By: Roopsirat K Sekhon
Campus Manager

We hope that all of you had a safe and enjoyable Easter break. On the 12th May we welcomed our May 2022 intake students including existing and new enrolments. As mentioned in our last Campus Updates we have now finalized the date of our 2020-2021 pass-outs' graduation ceremony as they couldn't explore this opportunity due to the pandemic & lockdown.

The graduation ceremony will take place on Thursday 25th August 2022 from 1:00PM to 5:00PM at Melbourne City Conference Centre. Further details regarding this event and how to book a spot are as below.

Graduation of ASLI Students:

Each student dream about the moment when he is in the spotlight where his name will be called out to receive an award of graduation in front of the crowd where he strides

across the stage with a cap and gown.

A graduation ceremony will fulfill that dream. And an on-stage photo will capture the moment.

Finally, the day of your dreams is approaching. ASLI has proudly arranged a Graduation Ceremony in your honor to celebrate your achievement with your family and friends, we will highly request all of our students who have successfully completed their course in 2020-2021 to attend this event and join us for this exciting celebration.

You will be dressed in your graduation gown and receiving your award on stage in front of other students and loved ones will make this day a one you'll always remember.

After the ceremony, we will invite you and your guests to enjoy refreshments and a little party.

Location and Time: The graduation ceremony will take place on Thursday 25/08/2022 from 1:00 PM to 5:00 PM in the Auditorium at Melbourne City Conference Centre 194 Little Lonsdale St Melbourne, VIC 3000

Academic dress & Dress code:

One of the highlights of graduation day is wearing a graduation gown, hood, and trencher cap. Staff will be there to help you gown up and direct you to the stage. As your graduation is a formal event, so please dress up as if you're attending a business interview.

Make sure to wear footwear suitable for going up and down a few flights of stairs. Your graduation gown is the three-quarter length and draped at the front, so keep in mind that your clothing will show underneath.
