No refunds will be granted where:

- an international student currently in Australia has their student visa cancelled by the Department of Home Affairs (DHA) for a breach of visa conditions.
- The refusal was a reason for one or more of the following acts or omissions by the student that directly or indirectly caused the student to default in relation to the course at the location:
 - (i) The student's failure to start the course at the location on the agreed starting day.
 - (ii) The students' withdrawal from the course at that location.
 - (iii) The student's failure to pay an amount he or she was liable to pay the provider, directly or indirectly, to undertake the course at that location.
 - (iv) If your enrolment falls within no refund timelines before the agreed start date of the course and you decide to withdraw from the course, then there will be no refund.
For example: If a student enrolls in week 5 before the course start date, he/she will not be eligible for refund if student withdraws from the course as enrolment falls in no refund time period of 5 weeks prior to the agreed start date of the course.
- Refund payments to students following visa refusals will be paid within a 4-week timeframe after receiving a written claim from the student.
- Students must provide the institute with substantiated evidence of their student visa refusal.

Please approach the administration department for approval on this application prior to final submission.
