## Living in Australia

Australia is an ethnic melting pot. It is a country known for its world-famous natural wonders, diverse landscapes and a vibrant multicultural society that practices almost every religion and lifestyle. Since 1945, more than six million people from across the world have come to Australia to live.

There are 226 languages spoken in Australia after English, the most popular are Italian, Greek, Cantonese, Arabic and Mandarin but Mandarin is now the most spoken language other than English. The island continent is almost as big as the USA but has a population of approximately over 27 million people (most of whom live within 50 kilometres of the coast). Australia's coastline stretches almost 50,000 kilometres and has more beaches (over 10,000) than any other country. Inland, there are vast areas of semi-arid and desert areas.

All major cities, and the nation's capital, offer exciting lifestyles, great cultural attractions, and a safe quality of life.

**Multiculturalism:** More than 100 ethnic groups are represented in Australia, making it one of the most culturally diverse countries in the world. Australia's dynamic multiculturalism can be attributed to its unique combination of indigenous cultures, early European settlement, and immigration from all parts of the world.

Australians value the wealth of cultural diversity and social sophistication that international students bring to our campus and communities. ASLI takes great care in looking after international students and helping them to adjust to the Australian way of life. International students also gain great benefits from their education in Australia and make lifelong friendships.

**Language:** Although English is the official language, more than 4 million Australians speak a language other than English, more than 800,000 speak an Asian language, the most common being Mandarin, followed by Cantonese and Vietnamese, and another 800,000 speak a European Union language. English, as it is spoken in Australia, is easily understood by nearly all people from other English-speaking nations. As you improve your English, you will learn some of Australia's colourful and often humorous slangs and have fun explaining the meanings to friends and relatives.

**Religion:** Australia is predominantly a Christian country; however, all religions are represented. Australians respect the freedom of people to practice their choice of religion. Churches, mosques, temples, Gurudwara and synagogues are in most major cities.

**Healthcare:** Australia has a very good healthcare system. All Australians pay a Medicare levy (additional tax) to fund the public health system to ensure that everyone has access to public-system doctors, hospitals, and other healthcare services. People who pay extra into private health insurance funds receive extra privileges when using private healthcare services. You will find the usual healthcare services available in Australian suburbs including GPs (doctors), dentists, osteopaths, chiropractors, psychologists, counsellors, and many complementary healthcare practitioners too (traditional Chinese medicine, naturopathy, acupuncture, kinesiology, etc.).

International students studying in Australia are required to have Overseas Student Health Cover (OSHC) for the duration of their student visa.

**Food:** Australia has a fantastic variety of food. Its top-quality meat, fish, fruits, and vegetables are exported to markets worldwide. There is a large range of fruit and vegetables available at Australian produce markets.

Students should have no difficulty finding the foods that they are used to at home. Students can have almost every type of cuisine in Australia's many restaurants and cafés. Ethnic restaurants offer cuisines from all around the world. Good food at reasonable prices can be found at bistros, cafés, and Aussie pubs. For those who like takeaway, most of the major global fast-food chains are well represented.

**Sports and recreation:** Australians are very keen on sports and outdoor activities and have gained worldwide reputation as tough competitors in individual and team sporting events. Australia has more than 800 national sporting organisations and thousands of state and regional sporting bodies. Australians are also enthusiastic about bushwalking, fishing, boating, and water sports.

**Transport:** Australia has an extensive public transport system that includes trains, buses, tramways, ferries, two major national airlines and several regional airlines.

**Driving:** Tourist students may drive in Australia on a valid overseas driver's license, but if the document is not in English, visitor must carry a translation with the permit. An international driver's license alone is not sufficient. Different states in Australia have different driving licence conditions.

For example, as per the regulations, in state Victoria (includes Melbourne), International students can use their overseas licence for the first six months of living in Victoria (after that, students will need Victorian licence instead). This rule has been applicable from 29th October 2019. Hence, Students need to have Victorian licence to be able to drive in Victoria.

**Taxis:** Metered taxicabs operate in all major cities and towns. Students can find taxi ranks at transport terminals, main hotels or shopping centres or can hail taxis in the street. A light and sign on the roof indicate if a taxi is vacant. There is a minimum charge on hiring and then a charge per kilometre travelled. You do not need to tip taxi drivers.

**Uber:** Uber services are also available at the airport and there is a designated pick-up place available outside the airport for Uber customers.

**Telephones and Wi-Fi connections:** Australia has a modern telecommunications system with mobile and internet access generally available at low cost. Overseas calls can be made over the internet data which also includes video calling.

**Internet data:** Wi-Fi is available free in most public places, with paid options also widely available.

Airport and a few shopping malls have free Wi-Fi available. Most of the shared accommodations have Wi-Fi services available through which the students can make overseas phone calls and video calls.

Students can avail pre-paid and/or post-paid Sims depending upon their suitability and requirements of the students. Lowest pre-paid Sims and plan costs around 12\$-15\$. The cost of pre-paid and post-paid plan keeps increasing as per your requirements, for example, more internet data and overseas calling minutes may cost you more than the plan with fewer internet and overseas calling minutes.

However, there are many providers like Vodafone which give student discounts.

**Budgeting:** Students should work out a budget that covers accommodation, food, transport, clothing, and entertainment. Childcare, if applicable, should also be considered. For more information on living in Australia, and costs, visit <https://www.studyaustralia.gov.au/>

**Travel:** During the term breaks, students may like to venture beyond Melbourne to experience more of Australia's spectacular natural environment and great physical beauty, such as great ocean road, marine parks and national parks (The Great Barrier Reef, Kakadu, and Uluru), the Queensland rainforests and the pristine countryside and mountains of Tasmania. Student and backpacker travel agents in metropolitan cities offer cheap flights and package deals.

**Money and banks:** Australian currency is the only legal tender in Australia. When students first arrive, money from other countries can be changed at the exchange facilities located at international airports, banks and major hotels. Travellers' cheques are easier to use if already in Australian dollars, however, banks will cash travellers' cheques virtually in any currency. Major hotels and some shops, depending on individual store policy may also cash travellers' cheques.

It is a good idea to set up an Australian bank account. You will need to provide visa details and evidence of residency. Banking services in Australia are extremely competitive. All major banks have branches in cities and regional centres. Major Banks include ANZ, Westpac, National Bank, Commonwealth Bank. Community banks, like Bendigo Bank are a popular alternative. Most shopping centres have Automatic Teller Machines (ATM) facilities. These machines can be used for deposits and, in many instances, withdrawals 24-hours-a-day. Many department stores, supermarkets and specialist shops have electronic transfer terminals (EFTPOS) where cash withdrawals can also be made in addition to purchasing goods.

More information on banking is available at [www.studyinaustralia.gov.au](http://www.studyinaustralia.gov.au). Normal bank trading hours are from Monday to Thursday - 9.30 am – 4.00 pm, Friday - 9.30 am – 5.00 pm and some banks are open Saturday mornings. The timings may vary.

**Credit Cards:** Credit cards are widely accepted around Australia. The most commonly accepted credit cards are Visa and MasterCard.

**Currency:** Australia uses a dollars and cents system of decimal currency with 100 cents in a dollar. The bank notes in use are \$5, \$10, \$20, \$50 and \$100. Coins used are the silver-coloured 5 cent, 10 cent, 20 cent and 50 cent coins and the gold-coloured \$1 and \$2 coins.

**Tipping:** Tipping is not the general custom in Australia and service charges are not added to accounts by hotels and restaurants.

## Finding Accommodation

The following types of accommodation are available for international students.

**Home Stay:** This option is an opportunity for students to live in a private home, with a local family, couple or single person and learn about Australian life. You may need to compromise with living arrangements as you will need to fit in with the household's routines and expectations. You will need to think about the things that are important to you. You may need to ask about how adaptable mealtimes are in relation to your studies and other commitments. There are different types of homestay arrangements:  
Cost: \$235 to \$325 per week

**Full Board:** Usually includes a furnished room (bed, desk, lamp, and wardrobe), three meals per day and bills (electricity, gas and water, but not telephone and internet). Some homestay providers may even do your laundry.  
Cost: A\$110.00 - A\$270.00 per week

**Half Board:** Usually includes a furnished room (bed, desk, lamp, and wardrobe) and bills (electricity, gas and water, but not telephone and internet). You can use the cooking and laundry facilities in the house.  
Cost: A\$ 80.00 - A\$ 100.00 per week

**Lease/Rent:** Renting an apartment or house is done through a real estate agent. You must sign a contract called "lease" to rent the house, either month-by-month or sometimes a 6-month, 12-month or 2-year lease is required. The lease entitles you to private use of the property for the duration of the lease. The advantage of this is privacy and independence.  
You must pay a bond (the equivalent of one month's rent, to cover any damage you may do to the premises).

to enrol them in the most appropriate course to achieve their intended outcomes.

Applicants are required to fill up the PTR form with the application form and answer all the questions in a true and correct manner. Students are required to attempt a Language, Literacy, Numeracy (LLND) and digital skills test which will be conducted prior to enrolment in order to determine any support needs (if ACSF support plan required) and assess the suitability of the chosen training product. Any competencies previously acquired will be identified during PTR and the most appropriate qualification for that student to enrol in will be ascertained, including consideration of the likely job outcomes from the development of new competencies and skills (Recognition of Prior Learning (RPL) or Credit Transfer). One of our staff will conduct a PTR face to face or call to verify the answers provided by the students. ASLI may also verify evidence provided by you of your IELTS/equivalent test score and secondary school certificate.

ASLI will issue a Letter of Offer to successful applicants after successful PTR, LLND test and once all the documents have been verified. The offer letter will include all detailed instructions and conditions for accepting the student agreement. You must carefully read and sign the written agreement, pay the fee requested in the student's written agreement and send it to ASLI. ASLI will not accept any course fees without a student's written agreement.

Students for each course will be selected in a manner that reflects ASLI's access and equity principles. Completion of the student's application form does not imply that ASLI will make an offer to you. You will also be notified if you do not meet the entry requirements.

Once the completed written student's agreement and fee is received (and cleared by the bank) ASLI will issue a Confirmation of Enrolment (COE). If a student has an ACSF support plan (LLND) in place, they must adhere to the requirements outlined in that plan.

Please refer to Enrolment Kit available on the ASLI website for more information on Enrolment.

For all the qualifications delivered at ASLI, Mature age students will also be considered without the minimum education requirements but with relevant work experience within chosen area of study and a demonstrated capacity to meet course requirements. A minimum of 2 years' experience would normally be expected but each case will be reviewed individually. Relevant work experience evidence by

work reference letter on company letterhead, work samples and curriculum vitae submitted will be considered. Such learners will be accessed for possible RPL opportunities, and their course duration and volume of learning will be adjusted accordingly if any RPL is granted.

## Language, Literacy, Numeracy and Digital Skill test (LLND)

Students undertaking courses at ASLI must possess sound language, literacy, numeracy, and digital skills, as these are essential for successfully completing course-related tasks, assessments, communication, and the use of digital learning platforms. Based on the test outcome, students may be identified as requiring internal support services and/or external support services.

The LLN test will be conducted by using an ACSF mapped online LLND assessment tool LLN Robot. All students are required to undertake a language, literacy, numeracy and digital skill test (LLND)

- **Language skills** are necessary for understanding instructions and engaging in verbal communication.
- **Literacy skills** are required for reading course materials, writing assessments, and interpreting information.
- **Numeracy skills** are important for performing calculations, measuring, and managing tasks involving numbers.
- **Digital skills** are essential for navigating online systems, participating in e-learning activities etc.
- To determine each student's support needs and assess the suitability of the chosen training product, all prospective students are required to undertake a Language, Literacy, Numeracy and Digital (LLND) skills review prior to enrolment. The LLND test will be conducted using an ACSF-mapped online assessment tool LLN Robot. Based on the outcome of the review, students may be identified as requiring internal or external support services, and individual advice will be provided regarding the suitability of the chosen course.

All students are required to undertake this LLND assessment as part of the enrolment process

Qualifications	Performance Level
BSB40520 Certificate IV in Leadership and Management	ACSF Level 3
BSB50420 Diploma of Leadership and Management	ACSF Level 4
BSB60420 Advanced Diploma of Leadership and Management	ACSF Level 4
BSB80120 Graduate Diploma of Management (Learning)	ACSF Level 4

SIT40521 Certificate IV in Kitchen Management	ACSF Level 4
SIT50422 Diploma of Hospitality Management	ACSF Level 4
SIT60322 Advanced Diploma of Hospitality Management	ACSF Level 4

Students are required to achieve the expected entry level of performance as per the required level. Where a student does not achieve the required LLND scores for the qualification into which they are seeking enrolment, LLND support\* will be provided to the student, providing the student achieves the required performance level in at least three of the core skill elements and only fails to achieve the required score in the other 2 areas by 1 level. However, if a student fails to demonstrate performance level in more than two core skills or fails to achieve required scores by more than level 1 in any of the skills, this will result in rejection of the application. A student failing to demonstrate this LLND level does not have the required skills to successfully obtain the qualification applied for and will be referred to explore other training pathways.

**\*LLND support:** If students do not meet the recommended English and/or LLND requirements, students will be referred for additional support which will be provided by the institute with ACSF Support Plan or students may also be asked to take further Language, literacy, numeracy and digital skill training, such as ELICOS programs at other institute to ensure that students are provided with support and proper guidance. ASLI does not offer ELICOS programs.

**ACSF Support plan:** is a plan developed for students who are facing difficulties in meeting LLND requirements. This plan is implemented for students to achieve expected learning outcomes. Support learning outcomes will be provided in the areas where students have been identified as facing difficulty and if a student's performance level is less than the required level. Support plans will be developed on an individual case-by-case basis.  
Support plan can be created in areas namely:

Applicants are required to fill in the PTR form attached with the application form and answer all the questions in a true and correct manner. Any competencies previously acquired will be identified during PTR and the most appropriate qualification for that student to enrol in will be ascertained, including consideration of the likely job outcomes from the development of new competencies and skills (Recognition of Prior Learning (RPL) or Credit Transfer).

During the Pre-Training Review (PTR) interview, ASLI staff will ask students if they require any special considerations based on religious, spiritual, or cultural practices such as access to a prayer room, observance of fasting, or scheduled prayer breaks during class sessions. This ensures students feel supported and respected in their learning environment. If such needs are identified, staff will document them and coordinate with trainers to implement appropriate adjustments, such as break timing or access to quiet spaces.

A dedicated prayer room is available on campus, and students will be informed of its location and access procedures during Orientation or upon request.

\*Refer to ASLI's Language, literacy numeracy and digital skills policy (LLND) & Student support welfare and wellbeing policy for more information on the support services provided by the institute.

#### Recognition of Prior Learning (RPL) and/or Credit Transfer (CT)

ASLI offers both Recognition of Prior Learning (RPL) and Credit Transfer (CT) to eligible students in accordance with the Standards for RTOs 2025. ASLI will provide the student with a written notification of the outcome.

- A written record of the student's acceptance of the RPL or CT outcome will be retained for at least two years after the student ceases to be an accepted student, in line with National Code 2018.

If a student is granted RPL or course credit which will reduce student's length of course,

- Students will be informed of the reduced course duration following granting of RPL and it will be ensured that confirmation of enrolment (CoE) is issued only for the reduced duration of the course.
- Any changes in course duration will be reported in PRISMS, in accordance with National Code Standard 8.2 if RPL or course credit is granted after the overseas student visa is granted.

Students are requested to refer to "Course Credit and RPL policy" for more details available on ASLI's website.

#### Recognition of Prior Learning (RPL)

RPL involves the assessment of previously unrecognised skills and knowledge that an individual has achieved outside the formal education and training system. Recognition of prior learning is an assessment process that involves the assessment of an individual's relevant prior learning (including formal, informal, and non-formal learning) to determine the credit outcomes of an individual application for credit. To support this type of application evidence demonstrating where and how the skills were obtained—ensuring it is valid, sufficient, current, and authentic is required. To support this type of application,

ASLI recognises the prior learning of students based on:

- Previous formal training, including nationally or internationally recognised qualifications.
- Formal study and acquisition of a qualification and statements of attainment from another RTO.
- Practical experience in a work environment.
- Projects undertaken; and
- Informal or non-formal life experience that aligns with the learning outcomes of a unit or qualification.

Students who believe they already have skills and experience gained through employment, industry-relevant roles, in-house training, community involvement or volunteering may be eligible to apply for Recognition of Prior Learning. Supporting evidence must demonstrate how, when, and where these competencies were gained. You may be asked for contact details of people who can vouch for your skill level such as supervisors from current or previous workplaces, clients, or personal character references from the community.

ASLI's RPL process ensures the evidence provided is assessed for validity, sufficiency, authenticity, and currency, in line with Standard 1.6 of the Standards for RTOs 2025.

An application for RPL must be lodged in writing. RPL application form can be obtained from the website or from ASLI's reception. More information on RPL is available on our website [www.asli.vic.edu.au](http://www.asli.vic.edu.au) under Credit Transfer and RPL policy. Students are encouraged to speak to ASLI Staff for more enquiries.

## Procedures

Students are requested to apply for Recognition of Prior Learning prior to the commencement of the course, unless exceptional circumstances apply.

- An RPL application for students will include all relevant evidence of work experience and where the learning has occurred. Applications will not be accepted unless all required information is included. Students who request an RPL assessment will be advised of the evidence required and suggestions on how to obtain it (e.g., supervisor evidence, previous projects, transcripts of qualifications completed, work experience, in-service training, distance education or open learning, community- based learning, or overseas education, training, or experience etc.).
- All RPL Applications are to be submitted to the administration department/Reception in the first instance along with verified supporting documents. The application and supporting documentation will be copied and placed into the student's file. Where originals are required for verification, authorised ASLI staff from the Administration department or representative will sight and indicate on copies "original sighted" and shall return originals to the student. ASLI will at no time accept and retain original certificates.
- The application will be forwarded to the Training Manager to be assessed, and outcomes will be determined by RPL/qualified assessor.
- It will be ensured that the evidence provided is valid, authentic, current, and sufficient and that the process is fair, flexible, and valid as required by Standard 1.4 of the RTO Standards 2025.
- If the outcome of the evidential documentation is not sufficient, then student will be advised to provide further documentation to validate his/her skills/experience. Training Manager or representative will set a date for the additional documents to be submitted.
- The applicant will be notified of the outcome of the RPL. Based on the assessment, the student will be advised that:
  - the application has been granted; or
  - the application has been denied; or
  - further evidence is required.
- Where an application for RPL or Course Credit is received by ASLI, Training Manager or representative will assess the application and provide an outcome to the application within 14 working days of receipt or as soon as practicable where further information is required to determine the outcome. If RPL is approved, the applicant will be marked as "CT or RPL" rather than "Competent" in the transcript of records.
- Where either of the above, credit transfer or RPL applications are received or course credit is approved, the following must occur Enrolment Officer or representative will change student's COE to reflect reduction in period of study. ASLI will provide student with the outcome of the credit application. The students must sign a letter to indicate the agreement with the outcomes of credit transfer or RPL applications and a copy will be kept in the student's file.
- ASLI's Assessment policy will be followed when undertaking RPL assessments.

Application form for RPL can be obtained from ASLI's reception. More information on RPL is available on ASLI's website [www.asli.vic.edu.au](http://www.asli.vic.edu.au). Students can also speak to ASLI Staff for enquiries.

**Credit Transfer:** Credit transfer is a process that provides students with agreed and consistent credit outcomes for components of a qualification based on the identified equivalence in the content and learning outcomes between the matched qualifications. Such as:

1. The unit/module is the same i.e., same code and title.
2. The unit /module has been reviewed and this results in minor changes to the unit/module code e.g., B to C. This indicates that the learning outcomes of the unit/module have remained the same.
3. The unit /module has been transferred from another training package/curriculum and recorded; however, the learning outcomes remain the same.
4. If the course credit is given, the confirmation of enrolment (COE) issued for that student will indicate the actual net program duration (as reduced by course credit) for that program.

5. If course credit is granted, and it results in shortening of the student's program duration, the Institute will report the change of program duration in PRISMS as required under the ESOS Act and National Code 2018 (Standard 10)

Students who have completed identical or equivalent units to those in the course they are beginning at other institutions can be given recognition/credit on presentation of a verified transcript, Award or Statement of Attainment issued by any other RTO or AQF authorised issuing organisation.

- Students are strongly encouraged to apply for credit transfer by the 2nd week of the first term of study in their enrolled course, unless exceptional circumstances apply.
- Students must complete the Credit Transfer Application form and submit the application to the Administration department or at reception.
- The application must include a copy of verified Award or statement of attainment copies, all original documents and must identify the units successfully completed including unit codes, unit names and dates of completion.
- Training Manager or authorised representative will verify the Award or Statement of Attainment, and other original documents submitted along with the Credit transfer application form and will grant credit transfers for identical or equivalent units that have been identified as being completed at another Registered Training Organisation.
- Verified as original all copies of Qualifications and Statements of Attainment and other documents provided by the students and used as the basis for granting Credit Transfer will be placed in the student files.
- Granting of Credit Transfer will be recorded as a unit outcome and kept in the student's file.
- If Credit transfer is granted, ASLI will provide a written record of the decision to the students to accept and will retain the written record of acceptance for two years after the overseas student ceases to be an accepted student.

An application for credit transfer must be lodged in writing. Application form and more information about credit transfers (Credit transfer and RPL policy) are available on our website or can be obtained from ASLI's reception.

**Please Note:** According to Standard 1.7 of the Standards for RTOs 2025, when a student presents a superseded yet equivalent unit of competency on the national register ([training.gov.au](http://training.gov.au)) for credit transfer for the purpose of reducing the amount of learning required to achieve the qualification or skill set, credit can be granted to that student for that unit without needing to map unit outcomes. As a best practice approach, institute may choose to conduct mapping analysis for the units that have been superseded more than once if they are still deemed equivalent, to ensure that the assessment of competence remains current and valid.

**Currency of training:** ASLI implements an effective validation and transition procedure to ensure it delivers current and nationally endorsed AQF qualifications and accredited courses, as listed on [www.training.gov.au](http://www.training.gov.au) In line with Standards 1.1 and 1.2 of the Standards for RTOs 2025, ASLI:

- Monitors changes to training packages through official channels (e.g., [training.gov.au](http://training.gov.au), ASQA notifications);
- Ensures that no new enrolments occur in superseded qualifications after the approved transition period;
- Transitions enrolled students to updated training products within the designated timeframe, as outlined by the training package or ASQA;
- Provides learners with clear advice and support regarding any changes to their training program;
- Validates delivery and assessment practices regularly to maintain alignment with current industry requirements and competency standards.

All transition and validation activities are documented and form part of ASLI's Continuous Improvement and Quality Assurance / Management System.

**Pathways to Higher Education:** Graduates of ASLI may seek credits to the relevant degree programs in Australian universities. Institute has no special arrangements with any Australian university and there is no guaranteed entry into university programs. Graduates of ASLI may seek credit transfer or advanced standing into relevant higher education or degree programs with Australian universities or higher education providers.

ASLI does not guarantee any direct university pathway or acceptance. Students are advised to:

- Independently verify credit arrangements with the target institution;
- Provide evidence of completed qualifications and transcripts from ASLI;
- Understand that credit recognition is subject to the policies of each higher education provider.

Note: ASLI currently does not have formal articulation agreements with any university.

## Training and Assessment

Australian Study Link Institute has training and assessment strategies and practices in place that ensures that all current and prospective learners will be trained and assessed in accordance with the standards for Registered Training Organisations (RTOs) 2025 and relevant training package requirements.

**Competency based training and assessment:** In vocational education and training (VET), people are competent when they can apply their knowledge and skills to successfully complete work activities in a range of situations and environments. Knowledge questions/written test, Practical demonstrations in the kitchen, Presentations, Case studies, are adopted by ASLI and assessment practices aim to make sure that the individuals participating in the training and assessment have the competence to undertake their work role to the standard expected in the relevant workplace.

Those being assessed are often referred to as students or learners. In specific cases, where student support and special needs are identified, the method and timing of assessment can be adjusted. However, the requirements of the unit of competency including requirements of knowledge evidence and performance evidence will remain unchanged. The adjustment will be applied to evidence gathering techniques and due dates of assessment without changing training package requirements and unit outcome requirements. ASLI ensures that all the assessments are valid, fair, reliable, authentic, and flexible. Refer to ASLI's Assessment policy for more information on Assessments available on ASLI's website and can also be made available from reception. To view the Assessment Policy and Procedure, please visit <https://asli.vic.edu.au/>

## Academic Integrity and Misconduct Policy *(Includes Plagiarism, Cheating, and Collusion)*

Acts of plagiarism, collusion and cheating are not permitted in any work completed for assessment and will result in a written warning and repeating the VET unit of competency, as well as incurring any associated charges. If a student is caught engaging in these acts, their assessment will be deemed Not Yet Competent (NYC). If students are engaged in such act for a second time, they may be suspended or expelled from the course. All work submitted must be an accurate reflection of the student's level of competence and must meet the principles of assessment and rules of evidence — including being valid, sufficient, current and authentic.

The unauthorised use of Artificial Intelligence (AI) tools (e.g. ChatGPT or similar) to generate assessment content is strictly prohibited and considered academic misconduct under Standard 1.7(e) of the Standards for RTOs 2025. Learners must not submit AI-generated work as their own unless explicitly permitted by the trainer or assessor.

Plagiarism is unacceptable and each case of plagiarism shall be treated on its own merits. Educational procedures will be in place to assist students to avoid submitting assessment work that does not meet the required standards of evidence-based writing. Students may be referred to ASLI's academic support services for guidance on proper referencing and integrity in assessment.

Inappropriate practices in the use of referencing, citations, quotations, or attributions for formative assessment may be dealt with by the assessor, who may refer students to appropriate resources to improve their academic skills. Suspected incidents of plagiarism involving summative assessments will be dealt with seriously and in line with ASLI's Academic Integrity and Misconduct Policy:

The student's assessment will be deemed Not Yet Competent (NYC). The student will be given a warning and will be required to redo the assessment. Additional charges may apply for re-assessments.

If students are engaged in such act for a second time, they may be suspended or expelled from the course.

All work submitted must be an accurate reflection of the student's level of competence. The evidence used to decide at Australian Study Link Institute about competence will be valid, sufficient, authentic, and current as required under the Standards for RTOs 2025.

More detailed information can be found in the Academic Integrity and Misconduct Policy, available on ASLI's website and/or at the reception.

**PLAGIARISM and CHEATING:** ASLI is committed to upholding standards of academic integrity and honesty. Plagiarism and Cheating in any form are unacceptable and will be treated seriously by ASLI. Students will be advised at the beginning of their course about the Academic Integrity and Misconduct Policy and procedures and the provisions relating to plagiarism, cheating, collusion, and the misuse of Artificial Intelligence (AI) tools.

**PLAGIARISM:** Plagiarism means to take and use another person's ideas and or manner of expressing them and to pass these off as one's own by failing to give appropriate acknowledgement, including the use of material from any source, staff, students, or the internet, published and unpublished works. Plagiarism occurs when students fail to acknowledge that the ideas of others are being used. Specifically, it occurs when:

- other people's work and/or ideas are paraphrased and presented without a reference.
- other students' work is copied or partly copied.
- other people's designs, codes or images are presented as the student's own work.
- phrases and passages are used verbatim without quotation marks and/or without a reference to the author or a web page.
- Lecture notes are reproduced without due acknowledgement.
- Plagiarism may take the form of similar work submitted by students who may have worked together.

**Use of Artificial Intelligence (AI):** The unauthorised use of AI-generated content such as that created using tools like ChatGPT, Google Gemini or similar platforms may also constitute plagiarism. Specifically:

- Submitting work wholly or substantially generated by AI tools as your own, without acknowledgment or prior permission, is considered academic misconduct.
- Even if AI-generated content is paraphrased or edited, it must be clearly cited and used only with express approval.
- AI tools may be used only where permitted by the trainer or assessor and in line with the learning or assessment activity's intended outcomes.
- Students must be able to demonstrate understanding and original thought and must not rely on AI-generated responses to meet competency requirements.

This policy aligns with Standard 1.7(e) of the Standards for RTOs 2025, which requires that assessment ensures the authenticity of a student's work. Assessors must be confident that submitted work reflects the learner's own knowledge and skills and meets the rules of evidence: authenticity, validity, currency, and sufficiency.

Failure to comply may lead to academic penalties, including the requirement to resubmit work, cancellation of results, or disciplinary action in line with the provider's academic integrity and Misconduct Policy.

**COLLUSION:** Collusion refers to unauthorised collaboration on assessable written, oral, or practical work with another person. It occurs when two or more individuals work together on an individual task and present it as their own separate work.

- Submitting work that has been jointly produced without permission
- Assisting or allowing another student to copy or submit your work
- Sharing answers, files, or drafts during assessment without assessor approval
- Co-developing AI-generated responses and presenting them as individual effort

Collusion is considered a breach of academic integrity and will be treated seriously.

**CHEATING:** Cheating includes but is not limited to:

- Someone copying from others work.
- Someone pretending that it is their own work.
- Using unauthorised materials or notes during an assessment task
- Using Artificial Intelligence (AI) tools such as ChatGPT or similar without trainer approval to generate responses
- Submitting work purchased or obtained from another person or online source

Cheating breaches the principles of authenticity and validity in assessment, as required under Standard 1.7(e) of the Standards for RTOs 2025, and may result in disciplinary action, including reassessment fees, suspension, or expulsion.

**Consequences-Plagiarism and Cheating:** Plagiarism is unacceptable and each case of plagiarism will be treated on its own merits. Educational procedures will be in place to assist students to avoid submitting assessment work that does not meet the required standards of evidence-based writing.

All assessment work submitted by a student will be assessed in accordance with its academic merit. If a student fails an assessment task because of the absence of appropriate citations and references, it may be a consequence of the student failing to meet the stated criteria for the task, rather than as a punishment for plagiarism.

Inappropriate practices in the use of referencing, citations, quotations, or attributions for formative assessment may be dealt with by the assessor, who may refer students to appropriate resources to improve their academic skills. Suspected incidents of plagiarism involving summative assessments must be dealt with according to the guidelines of the policy.

The penalties associated with plagiarism are designed to impose sanctions that reflect the seriousness of ASLI's commitment to academic integrity. Penalties may include resubmitting assessment work i.e., further reassessment and/or possible financial penalty or failing the unit. It may also lead to students being re-enrolled in the unit which will incur payment of \$500.

The student's assessment will be deemed Not Yet Competent (NYC). The student will be given a warning and will be required to redo the assessment. Additional charges may apply for reassessments. If students are engaged in such act for a second time, they may be suspended or expelled from the course.

Use of Artificial Intelligence (AI) tools in assessments without authorisation will be treated as serious misconduct and subject to the same consequences, in accordance with Standard 1.7(e) of the Standards for RTOs 2025.

Training Manager will keep a record of all suspected incidents of plagiarism brought to attention by the trainers. Procedural aspects of these records will be reviewed to ensure that they have been dealt with consistently, fairly, and in line with ASLI's policy and procedure framework.

If trainer and/or Training Manager finds that a student has committed multiple and/or systematic acts of plagiarism, or admits to, or is found to have committed, conduct that prejudices the rights of other students or undermines the integrity of the assessment process then the case will be dealt with as a complaint of student misconduct under the Student Code of Behaviour at ASLI, and a further penalty may be imposed.

If trainer and/or Training Manager finds that a student has committed multiple and/or systematic acts of plagiarism, or admits to, or is found to have committed, conduct that prejudices the interests of other students or the integrity of an assessment scheme itself, then the case will be dealt with as a complaint of student misconduct under the Student Code of Behaviour at ASLI, and a further penalty may be imposed. Kindly refer to Academic Integrity and Misconduct policy available on ASLI's website and/or at the reception for more details.

All staff at ASLI will be available to provide general advice, assistance, and support with matters such as studying, assessment, accommodation assistance, English language problems and counselling. Students requiring special or intensive assistance may contact a student support officer who may refer them to external support services if required.

ASLI will offer reasonable support to overseas students at no additional cost to enable them to achieve expected learning outcomes, regardless of the student's place or mode of study, in accordance with Standard 1.7 of the Standards for RTOs 2025, Standard 6 of the National Code of Practice for Providers of Education and Training to Overseas Students 2018, and Section 21 of the ESOS Act 2000.

This includes access to academic, language, digital, and wellbeing support services.

However, students may be required to pay any fees charged by external support services if referred (e.g., specialist counselling, medical services, or accommodation assistance), as these are not delivered directly by ASLI.

A Student Support Officer has been appointed to be the point of contact for students who require support. The Student Support Officer will have up-to-date details of the ASLI's support services. All administration and academic staff will provide student support in their respective areas to assist the student. Email: [sso@asli.vic.edu.au](mailto:sso@asli.vic.edu.au) Contact: +61 3 9639 9951

All students who require support can contact ASLI's student support officer through email, phone or on campus. Student support services will be always available for students.

ASLI has sufficient student support personnel to meet the needs of the overseas students enrolled with ASLI. ASLI will maintain one student support officer for every 80 students (1:80 ratios) to ensure sufficient support is available for students. Every member of ASLI Staff will execute the procedural aspects of the Support policy with specific matters dealt with by specialised personnel.

Students can fill up a "Student Support Request Form" to mention the support they require in detail. This form is available on the website [www.asli.vic.edu.au](http://www.asli.vic.edu.au) and is also available on campus.

Student support officer or their representative will record the details in student support register and will make sure that student is satisfied with the support requested by him or her.

ASLI will maintain evidence of the support provided to the students in file. This includes maintaining and keeping record of:

1. **Student Support Request form:** available from ASLI's reception or website [www.asli.vic.edu.au](http://www.asli.vic.edu.au). Meetings will be conducted regularly with the students to check if students are receiving enough support to meet their requirements. ASLI understands the difficulty that students may have to face when they are away from their home. Therefore, ASLI ensures to provide support to students whenever they are in need at no additional cost to the students. Students may have to bear the cost associated with external services.

## Orientation Sessions

Many students find life in Australia quite different from life in their home country, so Australian Study Link Institute organises orientation session to help students become familiar with Australian culture, customs and ASLI's academic and support environment. All overseas students are required to attend the orientation program, which is held on or before the commencement of their course. All students will go through orientation program prior to the enrolment.

Australian Study Link Institute (ASLI) conducts an age and culturally sensitive orientation programme delivered by official point of contact personal i.e., Student support officer or representative. This orientation program provides information on being safe on campus and around campus. These sessions ensure students are aware of their rights, responsibilities, and the available support.

This orientation program will include information regarding:

Support services available to assist overseas students to adjust to study and life in Australia.

- Being safe on campus and around campus, including personal safety tips
- Support services available at ASLI to assist overseas students to help the/m adjust to study and life in Australia
- Support services available at ASLI, including counselling and welfare support
- English language and study assistance programs, including Language, Literacy, Numeracy and Digital (LLND) skills support
- Any relevant legal services

- Services that students can access for information on their employment rights and conditions, and how to resolve

workplace issues, such as through the Fair Work Ombudsman.

Orientation sessions are a great way of meeting other students and build social connections.

Please refer to ASLI's Support and Welfare and Wellbeing Policy for more details available on ASLI's website.

## Fair Work Ombudsman

Fair Work Ombudsman is an independent statutory agency of the Government of Australia that serves as the central point of contact for free advice and information on the Australian national workplace relations system. It provides resources and support to help students understand their workplace rights, pay rates, and conditions of employment. The Office of the Fair Work Ombudsman also investigates workplace complaints and enforces compliance with national workplace laws. Students can visit [www.fairwork.gov.au](http://www.fairwork.gov.au) or call 13 13 94 for assistance.

### Fair Work Ombudsman focuses on:

- Providing education, assistance, advice and guidance to employers, employees, outworkers, outworker entities and organisations.
- Promoting and monitoring compliance with workplace laws.
- Inquiring into and investigate breaches of the Fair Work Act.
- Taking appropriate enforcement action.
- Performing statutory functions efficiently, effectively, economically, and ethically.
- Supporting international students by helping them understand their rights, including minimum wages, work hours, and protections against workplace exploitation.

For more information, refer to [www.fairwork.gov.au](http://www.fairwork.gov.au).

**National Employment Standards:** The National Employment Standards (NES) are 11 minimum employment entitlements that must be provided to all employees. The national minimum wage and the NES make up the minimum entitlements for employees in Australia. An award, employment contract, enterprise agreement or other registered agreement can't provide for conditions that are less than the national minimum wage or the NES. They can't exclude the NES. These standards apply to international students working in Australia, regardless of their visa type or hours of work, and employers must comply accordingly.

The 11 minimum entitlements of the NES are:

- Maximum weekly hours
- Requests for flexible working arrangements
- Offers and requests to convert from casual to permanent employment.
- Parental leave and related entitlements
- Annual leave
- Personal/carer's leave, compassionate leave and family and domestic violence leave
- Community service leave
- Long service leave
- Public holidays
- Notice of termination and redundancy pay.
- Fair Work Information Statement (the FWIS) and Casual Employment Information Statement (the CEIS).

International students should ensure they receive the Fair Work Information Statement from their employer at the start of employment as per National Code 2018, Standard 6.1.6(h) for student awareness of workplace entitlements.

For more information, refer to <https://www.fairwork.gov.au/employment-conditions/national-employment-standards#nes-entitlements>.

**Arrival Assistance:** ASLI can provide arrival assistance to students by informing and guiding them about the arrival assistance provided at Melbourne Airport. There is a Student's Welcome Desk available at Melbourne airport run by the government. It is open at key student arrival times and offers information, advice, and a Welcome Pack when you arrive. Visit <https://www.studymelbourne.vic.gov.au/> for more information.

ASLI provides airport pick up on pre-arranged basis from Airport to ASLI's head office located at 123 Lonsdale Street, Melbourne, Victoria 3000. Students are required to fill the Airport Pick up form available on ASLI's website or students can email their request for Airport pick up at [sso@asli.vic.edu.au](mailto:sso@asli.vic.edu.au). This service is particularly recommended for underage students (if applicable) or those arriving in Australia for the first time. Students are requested to contact ASLI at +61 3 9639 9951 in advance, preferably, preferably within 5 working days to avoid any inconvenience. Airport pick up fees: AU\$300 (subject to change and outlined in the Offer Letter/Student Agreement).

There is also a help desk available at the airport for international student to assist students in finding suitable airport pick up services e.g., UBER, Sky Bus, and taxi services.

**Accommodation Assistance:** ASLI does not have its own accommodation facilities. However, accommodation assistance will be provided to students upon request. This includes guidance on short-term and long-term options such as homestay, student hostels, private rentals, and shared accommodation. Providing accommodation advice is free of cost. However, students will have to pay fees for the accommodation booked on behalf of them. All payments and bookings must be made in advance as per the third-party provider's terms. Four weeks of notice prior to arrival is required. ASLI recommends that students carefully review rental contracts or agreements and encourages students to contact Tenants Victoria or Study Melbourne for additional legal advice if needed.

**Academic Support:** Students may have concerns about their academic performance or other related issues that are placing them at risk of not achieving the requirements of their course. Students can gain advice and support in ensuring they maintain an appropriate academic level, and general support to ensure that they achieve satisfactory course progress. ASLI ensures students are made aware of available support early in their enrolment and throughout their studies. A student's course progress and attendance are monitored, and proper guidance and support is provided if unsatisfactory course progress or low attendance has been identified.

Unsatisfactory course progress is defined in accordance with National Code 2018 – Standard 8, and ASLI's Course Progress Policy. Unsatisfactory Course Progress is defined as not successfully completing or demonstrating competency in at least 50% of the units in the given study period defined in the training and assessment strategy for the course. ASLI will implement an intervention strategy as soon as a student is identified as at risk. Students will be reported to the Department of Home Affairs (DHA) if a student shows unsatisfactory course progress in two consecutive study periods.

A student can discuss any academic or other related issues to study at ASLI at any time with the student support officer. The student support officer will be able to provide advice and guidance, or referral, where required.

We carefully monitor course progress to ensure students do not fall behind course requirements because we want our students to succeed.

Intervention strategies are put in place to assist students to achieve the study goal they initially set out to attain. If learners are having any difficulties, it is advised that they should contact student support services at the earliest opportunity so that support can be provided in the best way possible.

Intervention strategies may include, but are not limited to:

- Reduced Study Load
- English language Support.
- Language, Literacy, Numeracy and Digital (LLND) and academic skills support
- Specific subject enrolment
- Change of Course.
- Extra classes and/or re-assessment

**Students with special needs:** Australian Study Link Institute's policy on assessment is to give all students an equal opportunity to demonstrate their knowledge and skills. Where necessary and possible, we will make arrangements to take account of a student's special needs by making reasonable adjustments to the training and/or assessment requirements. This does not mean that a student gains any unfair advantage over other students.

Reasonable adjustment means modifications that allow a student with a disability or specific need to participate on the same basis as others, without compromising the required competency outcomes.

Reasonable adjustments may include:

- Use of adaptive or assistive technologies
- Provision of educational support services
- Adjusted assessment methods (e.g. oral assessments, extended time, use of a reader/scribe)

No unfair advantage: Adjustments aim to remove unnecessary barriers, not to provide preferential treatment. Compliance with regulatory standards: Any adjustment must still meet course competency and physical ability requirements, particularly in programs involving practical or safety-related tasks (e.g. hospitality, automation).

Students will be assessed on their current competencies including language, literacy and numeracy and digital skills (LLND) prior to enrolment of the course. The results of this review will guide the development of individual learning support plans.

The learning needs identified from the review will form the basis of any adjustment to the training program and appropriate strategies will be agreed with the student. All agreed adjustments will be recorded in the student's file and must be approved by the CEO or delegated authority. Adjustments will not compromise the competency standards in any way.

Adjustments made will be recorded in the student's file and will not compromise the competency standards in any way whatsoever. At all times Australian Study Link Institute strives to fulfil its obligations under Victorian Equal Opportunity Act 2010, Victorian Equal Opportunity and Human Rights Commission and Disability Discrimination Act 1992.

## Our Obligation to You

Australian Study Link Institute is responsible for the quality of the training and assessment in compliance with the Standards for Registered Training Organisations 2025, and for the issuance of the AQF certification documentation. This means the institute is obligated to deliver and assess students in accordance with the course requirements and to issue appropriate credentials to students who have met the assessment requirements and have been assessed as competent in the units of competency.

This also includes ensuring that training and assessment are conducted in accordance with the requirements of the relevant training product (e.g., qualification, skill set, or accredited course), and that assessments are fair, valid, and reliable. For international students, the Institute meets its additional responsibilities under the Education Services for Overseas Students (ESOS) Act 2000 and the National Code 2018, ensuring appropriate support, protection, and information are provided throughout the student journey.

## Transfer Between Registered Providers

The National Code 2018 restricts the capacity of students to transfer to other providers prior to completing six months of their principal course. ASLI will not actively recruit a student where this clearly conflicts with obligations under standard 7 of the National Code 2018 (Overseas student transfers).

ASLI will not allow students to transfer to another provider within six months of the commencement of their principal course of study in circumstances where the transfer would be detrimental to them.

If students wish to apply for a transfer, they will need to apply at the institute for a release. There is no cost attached to apply for a release; however, students will be required to contact the Department of Home Affairs to seek advice on whether a new visa is required.

All applications will be assessed based on ASLI's Policy, conditions of Enrolment, Fee Payment and Refund Policy, study plan and declaration submitted by the student in their application.

Documented evidence supporting circumstances/reasons for seeking release must be included with the application or email submitted. Please refer to the ASLI's transfer between provider's policy for more details on conditions where transfer may or may not be provided.

In accordance with Standard 2.1 and 2.2 of the Standards for RTOs 2025, ASLI will ensure students are properly informed about

their right to request a transfer and how their request will be assessed. ASLI will provide information about this policy prior to enrolment, and it will be made readily accessible to students at all times.

ASLI will assess each request fairly and consistently and provide a written outcome (approval or refusal) with reasons for the decision. Where a transfer request is refused, students will be informed of their right to appeal under ASLI's complaints and appeals policy, in line with Standard 2.8 of the Standards for RTOs 2025 and Standard 10 of the National Code 2018.

ASLI will maintain evidence of transfer requests, decisions made, communications with students, and outcomes in accordance with the recordkeeping requirements of the ESOS Act 2000 and the Standards for RTOs 2025.

## Deferral, Suspension and Cancellation

Students may initiate a request to defer commencement of studies or suspend their studies on the grounds of compassionate or compelling circumstances. Students wishing to defer the commencement of studies or suspend their studies must apply to do so in writing to the institute. Reasons for suspending your enrolment are limited to extenuating circumstances such as:

- Personal illness (e.g., you are going into hospital)
- Bereavement (death of an immediate member of family)
- Serious illness of an immediate member of family.

If you know that you will not be attending classes during the study period, you must contact ASLI and arrange an appointment to discuss your circumstances. After your meeting and after providing documented evidence, supporting circumstances/reasons for seeking suspension or cancellation of enrolment, you will be required to formally apply for the deferral or suspension.

ASLI may decide to suspend or cancel a student's enrolment on its own initiative as a response to misbehaviour by the student. Deferral of commencement, suspension of enrolment and cancellation of enrolment must be reported to the Department of Home Affairs through PRISMS by the institute and this may affect the status of a student visa.

In accordance with Standard 2.6 of the Standards for RTOs 2025, ASLI will identify the wellbeing needs of students and ensure appropriate support is provided when deferral or suspension is requested due to compassionate or compelling circumstances. Where a suspension or cancellation is initiated by ASLI, students will be notified in writing and provided with an opportunity to appeal the decision in accordance with ASLI's complaints and appeals process, as required under Standard 2.8 of the Standards for RTOs 2025 and Standard 10 of the National Code 2018.

All decisions and supporting evidence regarding deferral, suspension or cancellation will be documented and retained in accordance with recordkeeping requirements under the ESOS Act 2000 and the Standards for RTOs 2025.

Please refer to ASLI's Deferral, Suspension and Cancellation Policy for more details available on ASLI's website.

## Student Obligation

**Overseas Student Health Cover:** If you are a student from overseas on a temporary student visa it is a condition of your visa to maintain adequate health insurance for the duration of your visa. This means you need to purchase Overseas Student Health Cover (OSHC) and keep your policy up to date if you hold your visa.

For more information about visa conditions, see: <https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500/length-of-stay>

OSHC assists international students to meet the costs of medical and hospital care they may need while in Australia. OSHC also includes ambulance cover and limited pharmaceuticals. The OSHC must be arranged before applying for an Australian student visa.

Some exceptions may apply if you are a student from Sweden, Norway, or Belgium. If this applies to you, you may have special arrangements under your own national schemes - check with the Department of Home Affairs to find out if special arrangements apply to you and if you are exempt from the requirement to purchase OSHC.

As holding OSHC is a visa requirement, under the Migration Regulations 1994, take care to always maintain your cover. If you do fall behind in payments or renewing your cover, you will be able to continue your cover, but you may not be able to claim for services you received while you were in arrears.

If your visa status, address or Medicare eligibility changes at any time, inform your insurer as soon as possible to find out whether your level of cover is still suitable. When your student visa expires, then you are no longer eligible to hold OSHC. You can then swap over to a residents' cover or to an Overseas Visitors Health Cover plan.

In accordance with Standards for RTOs 2025 and Standard 6 of the National Code 2018, ASLI provides access to support services to assist students in arranging their OSHC if needed.

OSHC assists international students to meet the costs of medical and hospital care they may need while in Australia. OSHC also includes ambulance cover and limited pharmaceuticals. The OSHC premium cover must be paid before a student visa is issued. Australian Study Link Institute (ASLI) can assist you in organising an OSHC cover for you if you wish. Contact our Student Services. You can find out more about OSHC at

**Full Time Study:** Overseas students are required to be enrolled in a full-time registered course to undertake study. Australian law requires international students to study a full-time study load. A full-time study load is normally a minimum of 20 scheduled course contact hours per week. This is a visa condition under the ESOS Act 2000 and the National Code 2018 (Standard 8), and students must maintain enrolment in a full-time CRICOS-registered course.

In accordance with the Standards for RTOs 2025, ASLI will support students to understand and comply with their study load requirements and will monitor enrolment and progression to ensure visa conditions are not breached.

## Academic Course Progress

ASLI gives strong emphasis on course progress requirements. It is a mandatory requirement for all the students to attend their classes regularly and achieve satisfactory course progress.

Students must participate in the training as set out in the training and assessment strategy, including (where the strategy requires) participating in scheduled classes, course-related information sessions, supervised study sessions. ASLI checks and ensures that all the required assessments are completed up to that point of time.

Students at ASLI are required to regularly attend classes and achieve satisfactory course progress. ASLI regularly monitors, records, and assesses the course progress of each student for each unit of the course for which the student is enrolled in. ASLI will assess

each student's course progress at the endpoint of each study period.

In accordance with Standards for RTOs 2025 and National Code 2018, ASLI ensures students are informed of their course progress requirements and supports them through monitoring, timely feedback, and intervention strategies where needed.

Students who do not meet course progress requirements may be at risk of having their visa status affected. Where requirements are not met, ASLI course progress monitoring procedures will be followed as per the Attendance and Course Monitoring Policy and Procedures.

Unsatisfactory progress is defined as not successfully completing or demonstrating competency in at least 50% of the units in given study period.

A failure of units in any study period will trigger a review of academic progress by the institute and the implementation of an intervention strategy. Failing a unit means being assessed as 'Not Yet Competent (NYC)' for a completed unit after one or more opportunities for re-assessment has been provided or a result appeal process has been undertaken. To have the best chance of maintaining satisfactory progress you must:

- Attend all theory and practical classes and pay attention to the work and activities undertaken in class.
- Study the theory and practice the skills that are taught in class and Institute's lab.
- Ensure that you are present for all assessment activities scheduled by the trainers.
- Make an appointment with the Student Support Officer or Training Manager if you are having any difficulties with your studies.

In addition to the above minimum requirement, the Institute will implement counselling procedures and an intervention strategy when you think you may be in danger of not meeting the requirements.

Counselling and intervention strategy may be triggered by any of the following events:

- Failing any units in a study period
- Not attending compulsory classes

Intervention strategies may include academic skills support, counselling, additional tuition, changes to study load, or revised training plans, and will be documented and implemented in consultation with the student, as required under the Standards for RTOs 2025.

If students fail to meet the requirements of satisfactory course progress for two consecutive study periods, they will be reported to the Department of Home Affairs.

This notification will be made via PRISMS, and students will be informed in writing of ASLI's intention to report, including their right to access the complaints and appeals process within 20 working days before any report is submitted, as required by the National Code 2018.

Please refer to the Attendance and course progress policy available on ASLI's website and/or reception for more details on Intervention strategy, academic progress, extension of course duration and student support services. etc.

**For students undertaking SIT Qualifications (i.e., Commercial Cookery and Hospitality Management):** Students must attend all kitchen practical to fully develop their culinary skills. A student's kitchen attendance will be monitored closely, and students missing kitchen's practical classes will be treated on a case-by-case basis. Students missing more than one kitchen practical class will not be allowed to sit in re-assessment but will be required to repeat the units as it will not be possible for students to develop the required skills without attending practical kitchen classes.

This is in accordance with the training and assessment requirements outlined in the SIT Training Package, which mandates demonstration of performance evidence in a real or simulated kitchen environment.

As per the Standards for RTOs 2025, students must participate in all scheduled practical training sessions to meet competency standards, and ASLI must ensure students have sufficient opportunity to demonstrate required performance outcomes.

Failure to attend practicals may result in unit withdrawal and academic re-enrolment, as practical hours contribute to the overall volume of learning required for the qualification.

## Attendance Requirements

ASLI gives strong emphasis on attendance requirements. ASLI will record and monitor attendance on regular basis, contact students who are not attending classes and identify appropriate support that can be provided to the students. ASLI will ensure that

students are provided with full support by implementing intervention strategies so that students can complete their course on time. Students must maintain satisfactory attendance (i.e., minimum 80% of attendance) throughout the course. Low attendance implies that students might not be able to complete their course on time and this will lead to unsatisfactory course progress. Hence, students are required to attend classes in accordance with course timetables to make satisfactory course progress. ASLI is required to report the students based on unsatisfactory course progress to the department of Home Affairs (DHA).

**Note:** Students will not be reported based on attendance. However, Low attendance may lead to unsatisfactory course progress which can lead to you being reported to DHA.

As per the Attendance regulation set up by the Australian Skills Quality Authority, overseas students are required to be enrolled in a full-time registered course to undertake study. For VET courses, a full-time course is a minimum of 20 scheduled course contact hours per week, unless otherwise specified by ASQA. Students are required to participate in and attend the scheduled classes.

If an **overseas student** is not attending scheduled classes, but is making satisfactory progress in their course, then the course duration set may not be suitable for that student because this implies that they may already have the skills, knowledge, and experience to progress in their course without receiving structured training.

In this case, ASLI may invite the student to apply for RPL and will reduce the duration of the course to the minimum duration required given the student's existing skills and knowledge, while maintaining a minimum of 20 scheduled course contact hours per week.

This process will be documented in the student's file in accordance with the Standards for RTOs 2025, and any change to course duration must be reflected in PRISMS.

Please refer to the Attendance and course progress policy available on ASLI's website and/or student administration for more details.

**Intervention Strategy:** ASLI ensures that it identifies, notifies, and assists students where there is evidence that the student is at risk of not meeting course progress and/or attendance requirements. ASLI will provide support to students through intervention strategy to ensure that students are attending classes and achieving satisfactory course progress.

For students at risk of not meeting course progress or attendance requirements, an individual intervention plan will be developed based on the appropriate intervention strategy identified. It will be documented on Intervention Strategy form.

An intervention plan/intervention strategy will include an interview with the Training Manager or Student Support Officer, and it may include one or more of the following strategies:

- Attending counselling.
- English language support.
- Reviewing learning materials with the student and providing information to students in a context that they can understand.
- Providing extra time to complete tasks.
- Adjusting timetables
- Providing access to supplementary or modified materials.
- Providing supplementary exercises to assist understanding.
- Academic skills workshops (e.g., time management, referencing, study techniques).
- Reduced study load where permitted under the National Code 2018.
- Referral to internal or external support services, where personal, financial, or mental health issues are affecting progress.

The intervention plan will include clearly defined responsibilities for the student and ASLI, target dates for progress review, and follow-up actions.

All records of intervention meetings, outcomes, and changes to study plans will be documented and retained in the student file in accordance with ASLI's records management policy and Standard 2.4 of the Standards for RTOs 2025.

**Change of Address:** Upon arriving in Australia, students are required to advise ASLI of their residential address and telephone number and of any subsequent changes to their residential address. It is extremely important that students notify the institute of a change of address as, under Section 20 of the ESOS Act 2000 and Standard 3.5 of the National Code 2018.

Students must notify ASLI of any change of their address and contact details within 7 days of change while enrolled at the institute including:

- the student's current residential address, mobile number (if any) and email address,
- Emergency contact details, including name, relationship, and phone number of the person to be contacted in an emergency

Failure to update the contact details to ASLI means that students may not receive important information which may affect their course, their enrolment or visa.

It is the responsibility of students, and in their best interest, to keep their records up to date to ensure they receive important information about their course, fees, and any visa-related matters.

Additional information on student visa issues is available on the Department of Home Affairs web site at <https://www.homeaffairs.gov.au/>

## Student Feedback Complaints and appeals procedure.

The Institute has a student's Feedback Complaints and Appeals Policy and Procedure to provide students with a fair and equitable process for resolving any disputes or complaints they may have.

### ➤ Informal Feedback Complaint Process

Students who wish to make a complaint are encouraged to initially engage in informal discussion about the matter with the staff members/s involved. Any student with a complaint may first raise the issue informally with the Administration Officer or Trainer and attempt an informal resolution of the complaint.

Students can choose to make an informal complaint and to comply with Standard 2.8 of the Standards for RTOs 2025 and Standard 10 of the National code 2018, informal complaints will be documented and recorded in the complaints register by the administration officer.

All informal complaints lodged by students will be acknowledged in writing by sending an e-mail to the student. An acknowledgement e-mail must summarise the complaint and any other facts and expectations discussed during informal discussions with the student. As required under the Standards for RTOs 2025, ASLI must maintain records of both informal and formal complaints and their outcomes.

ASLI staff involved in the discussion of an informal complaint or appeal will do their best to resolve the matter effectively and quickly. As per the National code 2018 provider must commence an assessment of the complaint or appeal within 10 working days of it being made in accordance with the registered provider's complaints handling and appeals process and policy, and finalise the outcome as soon as practicable

Feedback and concerns that do not escalate into a complaint are also welcomed and will be used for continuous improvement.

Students who are not satisfied with the outcome of the complaint will be advised to register a formal complaint.

### What can a complaint be about?

A complaint can be about but not limited to

- any aspect of the service provided, or not provided by ASLI.
- any aspect of the training and assessment
- the behaviour or decisions of staff, or
- policies and/or procedures of ASLI
- any action by any associate

### ➤ Formal Complaint Process

Students who are not satisfied with the outcome of the informal process can register a formal complaint in writing to the Complaints Officer. Students can also send an email alternatively to [sso@asli.vic.edu.au](mailto:sso@asli.vic.edu.au).

### Lodging a complaint

To register a formal complaint, a student must complete and fill a Student's Complaint and Appeal Form to Complaints Officer providing: Lodging a Complaint To register a formal complaint, a student must complete a Student Complaints Form and submit it to the Complaints Officer with:

- a clear and detailed statement of the complaint, including the parties involved.
- a suggested solution that the student believes would settle the complaint (E.g., an appropriate solution will focus on achieving a productive study environment or relationship, rather than apportioning blame).
- Complaint will be lodged in a complaint register.

**The resolution phase:** The Complaints Officer will determine whether the subject matter falls within the definition of a complaint. This period is called the resolution phase.

The resolution phase will commence within 10 working days of the complaint being lodged in writing, i.e., assessment of complaints or appeal will commence within 10 working days of it being made and the outcome will be finalised as soon as possible.

Where it is determined that the subject matter falls within the definition, the following procedures will take place:

- **Acknowledging the Lodgement of a complaint**

Each formal complaint lodged by a student will be acknowledged in writing. The acknowledgement will be provided to the student in person and/or sent through the email in writing by admin staff.

The student support/admin staff will forward the complaint for action to the relevant person or department as soon as practicable and should not take more than 10 days. ASLI ensures that parties to complaint will not be part of the investigation team to maintain impartiality.

- **Recording the Complaint**

Details of the complaints will be recorded in ASLI's complaints and appeals register and a copy will be filed in the student's file. The original complaint will be forwarded to Complaints Officer. The Complaints Officer will ensure all documentation is securely stored and accessible only to authorised personnel.

Complaints Officer will be responsible for ensuring that all these actions are completed within five working days of the lodgement of the complaint.

- **Acting on Complaint**

All concerned parties will be contacted for investigation. Students will be given an opportunity to respond and present their case with supporting evidence.

Students will be invited to attend a meeting where they can present their case and may be accompanied by a support person if they wish.

Complaints Officer will set an agenda for the meeting and discuss what steps should be taken. The principles of procedural fairness and natural justice will be followed throughout the investigation.

**The right to be accompanied by a support person during the complaints/appeals process:** Parties making complaint will be invited for meeting and each involved party may be accompanied and assisted by a support person, according to the principles of natural justice. Students will not be disadvantaged or penalised for lodging a complaint. There will be an attempt to resolve the complaint by using the process outlined by the student for settlement (if appropriate) or through meeting, mediation and/or conciliation.

All the information will be gathered as required to assist with the settlement of the complaint, including, providing the respondent with the statement of the complaint and all the relevant documents.

Complaints will be investigated thoroughly in spirit of natural justice and principal fairness. ASLI will ensure that decisions are made impartially and based on evidence provided by all parties.

Best possible resolution will be achieved keeping a student-centred approach based on the facts and documents.

- **Time frame**

Person making a complaint will be informed of the outcome in writing and all the complaints will be finalised as soon as practicable understanding the student's requirements and other matters but maximum within 60 days of receipt of complaint.

Where ASLI considers more than 60 calendar days are required to process and finalise the complaint or appeal, the institute will inform the complainant or appellant in writing, including detailed reasons on why more than 60 calendar days are required, and will regularly update the complainant or appellant on the progress of the matter. These updates will be documented in the complaints register.

**If complaint falls outside the definition of complaints:** Administration Officer /Complaints Officer will advise the student accordingly. Administration Officer /Complaints Officer may dismiss a complaint if, in their view the complaint is ill advised, misguided, frivolous, malicious, or vexatious. This decision will be documented and provided to the student in writing.

**Note:** It is to be noted that ASLI will respond to any complaint or appeal the overseas student makes regarding his or her dealings with the institute, ASLI's education agents or any related party that ASLI has an arrangement with, to deliver the overseas student's course or related services.

**At the conclusion of the resolution phase,** Administration Officer /Complaints Officer will write to both the student and the respondent indicating the outcome of the process and specifying any action that has been agreed upon by the parties as part of that process. The written outcome will include the reasons for the decision and any actions to be taken. Students will be informed

about their Right to appeal, in accordance with Standard 10 (Complaints and appeals), within 20 working days if dissatisfied with the outcome.

**Record the decision:** Institute's decision and reasons for the decision will be recorded and placed in the student's file. This includes the date of communication, names of decision-makers, and confirmation that the student received the decision.

**If a student is dissatisfied with the outcome of the formal complaint process,** students may initiate an internal appeal process by completing a Complaints and Appeal Form from the website <https://asli.vic.edu.au/> or student administration/reception. The internal appeal must be lodged within 20 working days of receiving the formal complaint outcome.

**Internal Appeals Process:** Internal appeals may arise from several sources including appeals against refund decisions, assessment outcomes, appeals against disciplinary actions and appeals against decisions arising from complaints. The essential nature of an appeal is that it is a request by student who is dissatisfied with the outcome to reconsider a decision made by ASLI.

An Internal Appeal Process is initiated by a student lodging an Appeal by filling up complaints and appeals Form available from Student Administration and/or ASLI website.

- **Acknowledging the Lodging of a complaint**

Appeals are acknowledged by sending written confirmation of the complaint including the date of receipt, appeal type, and next steps. This is done by Student Support Officer/ Appeals officer.

- **Consideration of Appeal by Student Support Officer/ Appeals officer**

Where an appeal relates to the following matters, the Student Appeals Form must be lodged within 20 working days (International Students):

- Notification of an intention to report the student to the Department of Home Affairs (DHA) or due to unsatisfactory Course Progress, Non payment of fee etc.
- Notification of an intention to suspend or cancel a student's enrolment due to misbehaviour, or other extenuating circumstances (ref. Student Code of conduct).
- The Student Support Officer / Appeals Officer will assess the appeal for completeness and ensure that it meets the submission requirements before forwarding it for formal review.

- **Time Frame and Acting on an Appeal**

Within 10 working days of receiving the Complaints and Appeal Form, the Chief Executive Officer (CEO) will appoint an Investigator or convene a Student Appeal Committee to hear the appeals and propose a final resolution. The appeal process will be initiated without undue delay to ensure the matter is handled efficiently. This Investigator or Committee will not include any person who has heard the original complaint. The Investigator or the Student Appeals Committee will:

- a. Meet with the student (and support person, if present) and provide the student with an opportunity to present their case with any supporting evidence provided in the meeting at minimal or no cost. At any given meeting to discuss an appeal, students will be given an opportunity to be accompanied and assisted by a support person. The meeting will be scheduled at a mutually convenient time and location, ensuring privacy and a culturally safe environment.
- b. At the conclusion of the meeting, students will be informed about the timeframe within which the institute will provide a written outcome of the appeal. The timeframe will generally be 10 working days. All appeal outcomes will be provided in writing and include detailed reasons for the decision, with a copy placed in the student's file. After the meeting, the Investigator or Committee will, impartially, consider all the evidence and decide.

### **Student Appeal Committee**

- Compliance Manager or representative
- Training Manager
- Campus Manager

\*ASLI will ensure that assessment of the complaint or appeal is conducted in a professional, fair, and transparent manner. Committee members must not have had any prior involvement in the matter being appealed.

The outcome will be documented and will include the reasons for the decision. If the decision goes against the student, the outcome will include information for the student of **his or her right to an external appeal**. The student will be provided with contact details of external appeal bodies and guidance on how to initiate an external appeal. Details of the suitable external appeal bodies will be made available to the student with information at no cost. from ASLI.

**If more than 60 days:** Where it is apparent that appeals will take more than 60 calendar days, appellant will be informed in writing, including reasons why more than 60 calendar days are required, and the students will be regularly updated on the progress of the matter. This communication will also be recorded in the complaints and appeals register.

**Recording the appeal:** ASLI will keep a written record of the complaint or appeal, including statement of the outcome and the reasons for the outcome with signature and date of student and Student Support Officer/ Appeals officer.

A written statement of the outcome of the internal appeal, including detailed reasons for the outcome will be sent to the student.

#### **If matter remains unresolved or student is unsuccessful or dissatisfied with the outcome.**

There might be cases where matter is still unresolved after the implementation of above procedures and the internal appeals process exhausted, or if the student is not successful in the ASLI's internal complaints and appeals process. In such cases, Institute will advise the overseas student within 10 working days of concluding the internal review of the overseas student's right to access an external complaint handling and appeals process without any cost charged by ASLI.

**Note: Students' enrolment will be kept active until both internal and external appeal is concluded.**

ASLI will not report the student to the Department of Home Affairs (DHA) via PRISMS until the external process has been completed or the student withdraws from the appeal.

**External Appeals Process:** After the student has been advised of the external complaint handling process and procedure, ASLI will provide students with contact details of the appropriate complaints handling and external appeals body.

ASLI will refer the student to the **Commonwealth Ombudsman** to lodge an external appeal or complain about the decision.

The Commonwealth Ombudsman offers free and independent service for overseas students who have a complaint or want to lodge an external appeal about a decision made by their private education or training provider.

In most cases, the purpose of the external appeals process is to consider whether the registered provider, i.e., ASLI in this case, has followed its policies and procedures, rather than decide in place of the Institute. External appeal authority will be provided with sufficient information within due timelines requested. Students will be supported throughout the external appeal process and will not incur any costs from ASLI for this referral.

**For example**, if an overseas student appeals against his or her subject results and goes through the internal appeals process of the Institute, the external appeals process would look at the way in which the internal appeal was conducted; it would not decide as to what the subject result should be.

Complaints outcome will be entered in complaints register after external appeals has given a decision and copy of all relevant documents will be attached in that register.

**Outcome:** If the internal or any external complaints handling or appeal process results in a decision or recommendation in favour of the overseas student, ASLI will immediately implement the decision or recommendation and/or take the preventive or corrective action required by the decision and advise the overseas student of that action or outcome. Corrective or preventive actions will be monitored to ensure effectiveness, and the student will receive written confirmation once actions have been completed.

Written record of the complaints or Appeal and statement of the outcome will be kept and maintained by ASLI. Records will include the date, nature of the issue, parties involved, decisions made, actions taken, and confirmation that the student was notified.

Examples of an external or independent body or person may include:

- private conciliators or dispute resolution counsellors
- a complaints and appeals body established by a peak industry body.
- representatives of Commonwealth and state or territory government departments including the Office of the Training Advocate; or
- Commonwealth and state or territory offices of the Ombudsman may be the appropriate body for a public provider.

**IMPORTANT NOTE:** The Commonwealth Ombudsman is a free and independent service.

**The Commonwealth Ombudsman contact details are:**

- **Website:** <http://www.ombudsman.gov.au>
- **Email:** [ombudsman@ombudsman.gov.au](mailto:ombudsman@ombudsman.gov.au)
- **Contact Number:** 1300 362 072

The Commonwealth Ombudsman investigates complaints about problems that overseas students have with private education and training in Australia.

The Ombudsman (OSO) also

- a. Reviews unresolved complaints involving fairness or adherence to policy:
- b. Provides information about best practice complaints handling to help private education providers manage internal complaints effectively.
- c. Publishes reports on problems and broader issues in international education that OSO identify through investigations.

## Appeals related to Deferment, Suspension or Cancellation of Enrolment

Where a student has decided to access the appeals process in relation to deferment, suspension or cancellation of their enrolment, ASLI will not update the student's status or report to the Department of Home Affairs (DHA) via PRISMS until the appeal process is completed.

ASLI will maintain all relevant responsibilities until:

- the internal and external complaints processes have been completed and the breach has been upheld.
- the overseas student has chosen not to access the internal complaints and appeals process within the 20-working day period.
- the overseas student has chosen not to access the external complaints and appeals process.
- The overseas student withdraws from the internal or external appeals process, by notifying the Institute in writing.

ASLI will document all decisions, timeframes, and correspondence related to the appeal and PRISMS reporting status.

**Please note** following procedures do not remove the student's right to seek other dispute resolution services, or to seek other legal remedies, provided by external bodies, such as, the Victoria Legal Aid. Refer to <https://www.ombudsman.gov.au/>

## Students Rights as Consumer

Complaints and Appeals Policy, and Procedure do not remove the right of students to act under Australia's consumer protection laws.

International students are protected by Australian Consumer Law and the Education Services for Overseas Students (ESOS) Act 2000, which ensure the provision of accurate information, fair treatment, and access to redress mechanisms.

## Unique Student Identifier

The Unique Student Identifier (USI) is a mandatory requirement for anyone wishing to complete Nationally Recognised VET qualification as of 1 January 2015. Each time a student completes nationally recognised training, the RTO collects and verifies their USI before they can issue a qualification or statement of attainment. In addition, we are required to include your USI in the data we submit to NCVER.

ASLI must not issue AQF certification documentation unless a valid USI has been provided.

The USI scheme allows students to access a single online record of their VET achievements. Each person will be assigned a USI. Australian Study Link Institute will obtain and verify the student's USI at the time of enrolment. ASLI will comply with the Student Identifiers Act 2014, including secure handling, privacy, and use obligations.

The USI is an identifier known only to the issuing RTO, the student, and the department. All students undertaking vocational education and training must hold a Unique Student Identifier (USI) and provide it to ASLI during the enrolment process. If students do not provide a USI, ASLI will not be able to issue a Certificate, Statement of Attainment or Transcript for the training. For details on USI, visit [www.usi.gov.au](http://www.usi.gov.au).

ASLI will ensure student privacy and data integrity in accordance with the Student Identifiers Act and the Privacy Act 1988.

ASLI Student Services staff can assist you to obtain your USI on request.

ASLI is fully compliant with the ESOS requirements of the Tuition Protection Service (TPS), which is a replacement and refund service for international students.

It is an unlikely event that ASLI is unable to deliver a course that you have paid for and does not meet their obligations to either offer you an alternative course that you accept or pay you a refund of your unspent prepaid tuition fees (this is called a provider default obligations), the TPS will assist you in finding an alternative course or to get a refund if a suitable alternative is not found.

**Occupational Health and Safety Act 2004 (Victoria)** The Occupational Health and Safety Act 2004 (OHS Act) is the primary legislation governing workplace health and safety in Victoria. Its main objective is to secure the health, safety, and welfare of employees and other persons at work by eliminating or reducing workplace risks.

The OHS Act applies to employers, employees, contractors, sub-contractors, apprentices, trainees, work experience students, and volunteers, as well as to members of the public who may be affected by work activities.

Under Section 25 of the OHS Act, all individuals at a workplace, including students, clients, and visitors, are required to:

- Take reasonable care for their own health and safety, and
- Ensure their actions or omissions do not adversely affect the health and safety of others, and
- Cooperate with any reasonable instructions, policies, or procedures provided by ASLI to comply with occupational health and safety laws.

ASLI is committed to maintaining a safe learning and working environment in line with the OHS Act 2004.

**Privacy Act 1988:** The Privacy Act is supported by the Australian Privacy Principles. The object of Australian Privacy Principles is to ensure businesses and government agencies manage personal information in an open transparent, and secure manner.

Review the section within this handbook that relates to privacy. It provides you with information about:

- the kinds of personal information that the entity collects and holds.
- how the entity collects and holds personal information.
- the purposes for which the entity collects, holds, uses, and discloses personal information.
- how an individual may access personal information about the individual that is held by the entity and seek the correction of such information.
- whether the entity is likely to disclose personal information to overseas recipients.

**Disability Discrimination Act 1992:** Section 5 - Disability Discrimination

(1) For the purposes of this Act, a person (discriminator) discriminates against another person (aggrieved person) on the grounds of a disability of the aggrieved person if, because of the aggrieved person's disability, the discriminator treats or proposes to treat the aggrieved person less favorably than, in circumstances that are the same or are not materially different, the discriminator treats or would treat a person without the disability.

For the purposes of subsection (1), circumstances in which a person treats or would treat another person with a disability are not materially different because different accommodation or services may be required by the person with a disability.

**Sex Discrimination Act 1984:** The objects of this Act are to give effect to certain provisions of the Convention on the Elimination of All Forms of Discrimination Against Women; and to eliminate, so far as is possible, discrimination against persons on the ground of sex, marital status, pregnancy or potential pregnancy in the areas of work, accommodation, education, the provision of goods, facilities and services, the disposal of land, the activities of clubs and the administration of Commonwealth laws and programs; and

- to eliminate, so far as possible, discrimination involving dismissal of employees on the ground of family responsibilities; and
- to eliminate, so far as is possible, discrimination involving sexual harassment in the workplace, in educational institutions and in other areas of public activity; and
- To promote recognition and acceptance within the community of the principle of the equality of men and women.

**Racial Discrimination Act 1975:** This Act gives effect to Australia's obligations under the International Convention on the Elimination of All Forms of Racial Discrimination. Its major objectives are to:

- promote equality before the law for all persons, regardless of their race, colour or national or ethnic origin, and
- make it unlawful to discriminate against people based on their race, colour, descent or national or ethnic origin in areas such as education, employment, housing, and access to services.

**Copyright Act 1968:** Copyright is a type of property that is founded on a person's original creative skill, and effort. It is designed to prevent the unauthorised use by others of a work, that is, the original form in which an idea or information has been expressed by the creator.

Copyright is not a tangible thing. It is made up of a bundle of exclusive economic rights to do certain acts with an original work or other copyright subject-matter. These rights include the right to copy, publish, communicate (e.g., broadcast, make available online) and publicly perform the copyright material.

There is no general exception that allows a work to be reproduced without infringing copyright. Where a part of a work is copied, the issue is whether a substantial part of that work has been reproduced and thus an infringement has occurred. However, there is a 10% rule which applies in relation to fair dealing copying for the purposes of research or study. A reasonable portion of a work may be copied for that purpose, and a reasonable portion is deemed to be 10% of a book of more than 10 pages or 10% of the words of a work in electronic form.

**Fair Work Act 2009:** The main objectives of this Act are to provide a balanced framework for cooperative and productive workplace relations that promote national economic prosperity and social inclusion for all Australians by:

- Providing workplace relations laws that are fair to working Australians, are flexible for businesses, promote productivity and economic growth for Australia's future economic prosperity and consider Australia's international labour obligations.
- Ensuring a guaranteed safety net of fair, relevant and enforceable minimum terms and conditions through the National Employment Standards, modern awards, and national minimum wage orders.
- Enabling fairness and representation at work and the prevention of discrimination by recognising the right to freedom of association and the right to be represented, protecting against unfair treatment and discrimination, providing accessible and effective procedures to resolve grievances and disputes, and providing effective compliance mechanisms.
- Supporting the effective operation of the Fair Work Commission and the Fair Work Ombudsman in delivering education, advice, compliance, and enforcement services.
