HAPPY NEW YEAR FROM TEAM ASLI...

#### A year to **REMEMBER**, By: Roopsirat K a year to CHERISH & a year to look FORWARD

As the year comes to an end and we are busy planning for 2023, we reflect on how fantastic it has been. We are grateful to all our education partners, including students, staff, and agents, for their unwavering support and love. On behalf of Team ASLI, we are pleased to share the highlights of ASLI's 2022 journey.

#### We are one

Celebrated multiple cultural events e.g., Easter, Diwali, Chinese New Year, Christmas etc. Such occasions not only gave us a chance to create happy memories at ASLI but also helped students with multicultural beliefs and values. This will be continued next year as well with more celebrations.

#### **Graduation Ceremony**

Organized Graduation ceremony for ASLI students, which was greatly appreciated by all of you. We look forward to arranging this every year. Next year's Graduation date and details will be shared in early 2023

#### **Multicultural ASLI**

Welcomed students from various nationalities. It helps our students to learn about different cultures during their education and make them feel safe with these differences later in life by interacting with various social groups.
