LET'S JOIN US FOR "LUNCH AND LAUGHTER" AT ASLI CHRISTMAS LUNCH

CHRISTMAS AT ASLI:

As we approach the end of November, we are close to Advent, the season in which many people especially Christians wait and prepare for the celebration that commemorates the birth of Jesus Christ.

You will see our campus is all decorated for Christmas with cheerful and holiday vibes. As you all know being an education provider for international students we thrive to value various traditions, languages and festivals following the same tradition we would love to invite all our students to join us for Christmas Lunch at the Lonsdale Street campus on Friday the 16th of December 2022.

IELTS to Introduce One Skill Intake:

Test takers of the world's most popular high-stakes language test, IELTS, will soon have access to a new feature to help them boost the score they need to achieve their global learning and career goals.

What is One Skill Retake?

One Skill Retake will enable test takers to retake one section of the four skills (Listening, Reading, Writing and Speaking) English test if they did not achieve the score, they aimed for the first time around.

When is it available?

It is expected to be available in November at limited IDP IELTS centres in Australian capital cities. Warwick Freeland, Managing Director of IELTS, IDP Education, said One Skill Retake has been introduced after listening to test taker feedback.

"With the right preparation and support, we know our test takers achieve their best score the first time around," Mr Freeland said. "However, we listened to our test takers, and they told us they wanted the opportunity to retake one section of the test if they didn't get the score, they were aspiring for on test day," he said.

"With One Skill Retake, test takers can get their study, migration or work applications plans back on track," he said.

In its first launch phase, the test takers who choose a One Skill Retake will receive a second Test Report Form that can be used for migration and study purposes by the Australian Department of Home Affairs.

Mr Freeland said One Skill Retake demonstrates IELTS' commitment to helping customers achieve their best scores and to supporting organisations to attract the right candidates. More information will be available soon, so keep an eye on our website for more.
