Students are required to complete Student Enrolment form (Appendix 1) on Orientation day prior to the course commencement. Enrolment form must be filled up by the student. It is done to ensure that the Institute receives current and latest contact details of students.

### Language Literacy and Numeracy test

As mentioned above in the entry requirements section, all students wanting to study at ASLI are required to undertake LLN Test prior to the commencement of the course. LLN test will be conducted on campus by using an ACSF mapped online LLN assessment tool - LLN Robot (<https://tlrg.com.au>), under supervision of qualified LLN assessor.

*Education agents or any third party will not be authorised to conduct PTR or LLN test on behalf of ASLI. LLN will be conducted under the supervision of qualified assessors at the Institute.*

Students are required to bring their photo ID such as passport or driver's license to authenticate their identification. Kindly refer to LLN policy for more details which can be made available from the Institute.

## 7. Work Based Training (WBT)

{WBT is only applicable to students undertaking SIT30821 - Certificate III in Commercial Cookery, SIT40521- Certificate IV in Kitchen Management or SIT60322- Advanced Diploma of Hospitality Management qualifications}

WBT is aimed at giving students a varied experience in a real live situation, under normal commercial pressures. For example, in the live environment, they will be able to test their skills and knowledge when the kitchen is busy, customers are waiting, or it is "rush hour" – e.g. Lunch times at a restaurant in the city.

Work-based training will be conducted at approved industry workplace commercial kitchen with whom ASLI has an agreement with. Students will be required to complete a logbook for each service period and reflect on tasks performed during service period. Workplace supervisor will verify logs of training for each food service period on student logbook.

Detailed information on Work-Based Training, the unit, and the hours applicable in WBT can be made available from the institute. Students can email their request at [sso@asli.vic.edu.au](mailto:sso@asli.vic.edu.au) or call ASLI for more information.

### Workplace suitability assessment

WBT coordinator will determine suitability of potential host employer, including supervision and occupational health and safety requirements. All work-based training sites are assessed for work-based training suitability by the WBT trainer/assessor using the Workplace Training Facility Checklist. WBT Coordinator will use a suitability check list to determine the following: ABN registration, menu and meal type served, work safety, WHS safety measures regarding equipment resources available and capacity of number of learners the Host Employer is able to have at any one-time conducting Work-Based Training.

Students can use their workplace to complete Work-Based Training. However, to ensure that student's workplace requirements are met, WBT coordinator will determine suitability of potential host employer, including supervision and occupational health and safety requirements.

### Alternative Arrangements if industry workplace does not meet the requirements.

If student's workplace site does not meet the suitability, the WBT coordinator will allocate another WBT facility which can provide the opportunity for the identified gap e.g., Missing equipment, meal type, or menu style or menu items.

- Any government sponsor of the overseas student considers the change to be in the best interest of that student and has provided written support for the change.

For more information on transfer between registered providers, please refer to ASLI's Transfer between providers policy available on ASLI's website.
