ASLI has established processes for referring students to an independent person or external body to hear feedback complaints or appeals if they are not resolved through ASLI's internal processes. Where appropriate, ASLI will also refer students to an existing external body equipped to handle the nature of the complaint or appeal.

An internal appeals process (outlined in student handbook) is available on our website [www.asli.vic.edu.au](http://www.asli.vic.edu.au) or reception including but not limited to assessment outcomes, course progress, misconduct decisions, or enrolment-related matters.

### Information About the Feedback, Complaints and Appeals Process

Feedback can be submitted informally or formally. ASLI provides multiple opportunities to give feedback including surveys, student consultations, and feedback forms accessible through the survey monkey portal or directly from student services. All feedback is reviewed regularly to identify areas for improvement.

Applicants for enrolments are provided with necessary information about the complaints and appeals process in the pre-enrolment information like ASLI's Student Handbook, written agreements, etc. Information on Feedback, Complaints and Appeals Policy is available online at ASLI's website <https://asli.vic.edu.au/>

Students will be provided with information about the complaints and appeals process during orientation.

The CEO will be responsible for ensuring that all the management staff, student services staff, marketing staff, trainers and assessors and students at ASLI are aware of the policy and procedures for feedback, complaints and appeals. Provision of information about the ASLI's Complaints and Appeals Process is an important aspect of the induction process for new members of the staff.

### Feedback, Complaint and Appeal Procedure

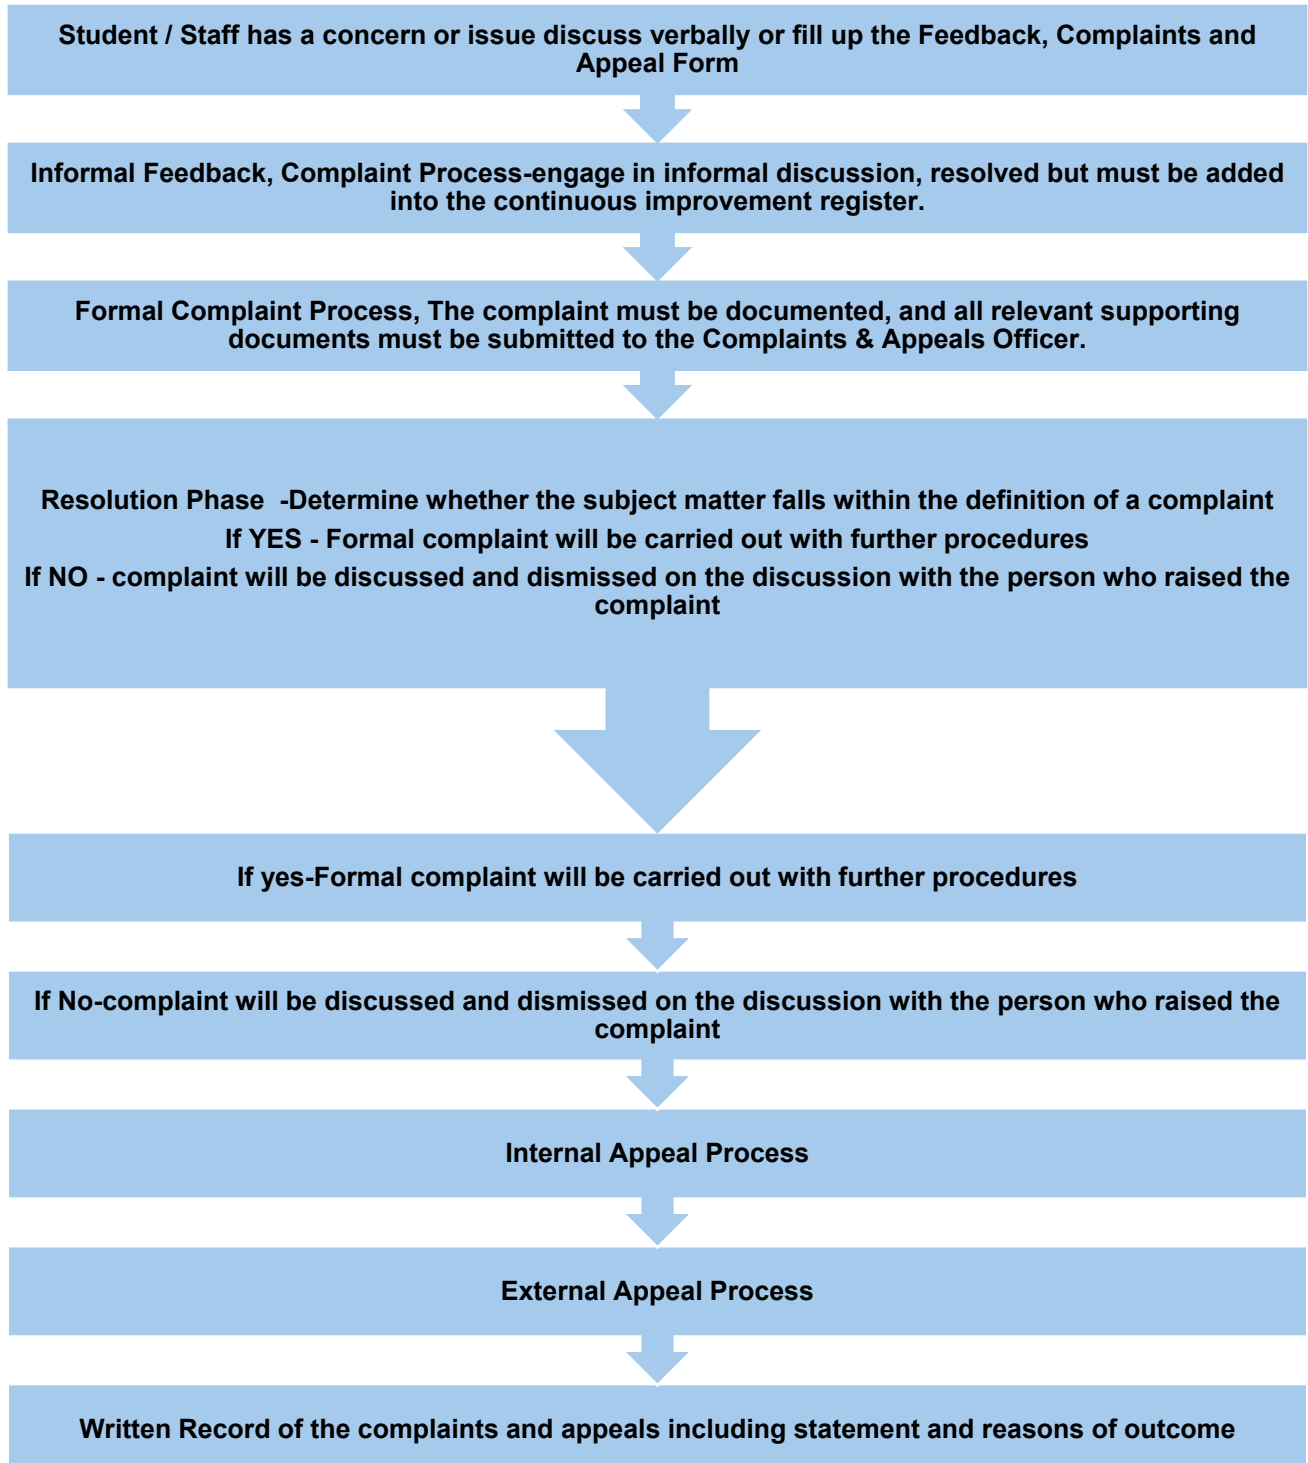

ASLI maintains a Feedback, Complaints and Appeal Register and a Feedback Complaints and Appeals Form to ensure transparency, procedural fairness, and accurate record-keeping. Each record will include the following details:

- Submission date of the complaint or appeal
- Nature and category of the complaint or appeal (e.g. assessment, misconduct, enrolment decision)
- Date(s) of the event(s) or issue(s) leading to the complaint
- Any attachments or supporting evidence provided

- Method of communication with the complainant/appellant regarding the outcome
- Student's response to the outcome (accepted or not, intent to appeal externally)

## Feedback, Complaints and Appeals Process Chart

The chart below outlines the informal and formal feedback, complaints and appeals process at ASLI. Informal feedback or complaints, when resolved through discussion, can lead to continuous improvement without the need to lodge a formal complaint.

## 5.1. Informal Complaint Process

Students are encouraged to initially raise complaints through informal discussion with the staff member(s) involved. This may include the Student Support Officer (who also serves as the Complaints and Appeals Officer), trainers, or relevant student services staff.

Informal complaints will be addressed promptly and sensitively. Students may bring a support person to any discussion. If the matter is not resolved within 10 working days, students will be advised to submit a formal written complaint using the Feedback, Complaints and Appeals Form.

Informal complaints that raise broader issues or systemic concerns may be documented internally and reviewed during Continuous Improvement meetings. General feedback that does not constitute a complaint will be recorded separately for service improvement purposes.

ASLI is committed to providing a culturally safe, accessible, and supportive complaints process. Support is available for students who may need help due to language, literacy, disability, or other access barriers.

- A clear and detailed description of the matter
- The names of any individuals involved (if applicable)

- Supporting evidence (if available)
- A suggested resolution (optional)

Once received, the matter will be recorded in the Feedback, Complaints and Appeals Register and processed in accordance with ASLI's policy.

## The Resolution Phase

- The assessment process will commence within 10 working days of receiving the form, in line with Outcome Standards 2.7, 2.8 of the Revised Standards for RTOs 2025.
- A written acknowledgment will be sent to the student confirming receipt and outlining the next steps.

- The matter will be forwarded, where appropriate, to relevant staff or departments not involved in the issue, to maintain independence and procedural fairness.
- Individuals directly involved in the subject of the complaint or appeal will not participate in any part of the resolution process.
- Throughout the process, ASLI will ensure cultural safety, support, and natural justice are upheld.

## Meeting, Support and Investigation

Students have the right to be accompanied by a support person throughout the feedback, complaints or appeals process. Where necessary, a meeting may be scheduled to discuss the issue, explore mediation options, or reach a resolution aligned with principles of natural justice.

The Complaints and Appeals Officer will:

- Gather necessary documentation
- Share all relevant materials with involved parties
- Facilitate a fair, transparent, and timely resolution

All records will be securely stored and reviewed during Continuous Improvement processes.

## Acknowledging the Lodging of a Feedback, Complaint or Appeal

Each formal feedback, complaint, or appeal submitted by a student will be acknowledged in writing. The acknowledgment will be provided in person and/or via email by the Complaints and Appeals Officer within five (5) working days of receipt.

The matter will then be forwarded for action to the relevant internal department (if applicable) as soon as practicable and no later than ten (10) working days. To maintain procedural fairness and transparency, any party directly involved in the matter will not participate in the investigation or resolution process.

## Recording Feedback, Complaint or Appeal

Details of all feedback, complaints, and appeals will be recorded in ASLI's Feedback, Complaints and Appeals Register. A copy of the documentation will be securely stored in the student's file. If relevant, the original complaint will also be forwarded to the Campus/Training Manager for further internal review.

The Student Support Officer / Complaints and Appeals Officer is responsible for ensuring all acknowledgments, recordings, and internal escalations are completed within the specified five (5) working day period from the date of lodgment.

## Acting on Feedback, Complaint or Appeal

All relevant parties will be contacted promptly for investigation. The student will be provided with an opportunity to respond to the issue and present supporting evidence.

The Student Support Officer / Complaints and Appeals Officer will coordinate and set the agenda for a resolution meeting. This may include discussion on appropriate steps to be taken, or mediation/conciliation if deemed appropriate.

***\*The right to be accompanied by a support person during the complaints/appeals process***

Students (and any involved party) are entitled to be accompanied and assisted by a support person at any stage of the complaint or appeal process, in accordance with the principles of natural justice and procedural fairness.

All information required to assist in resolution will be gathered, including sharing the complaint and all relevant documentation with the respondents.

Complaints and appeals will be thoroughly investigated in line with the principles of natural justice, cultural safety, and procedural fairness. A student-centered approach will be adopted, ensuring impartiality and resolution based on verified facts and evidence.

**Timeframe**

The complainant will be informed of the final outcome in writing. All feedback, complaints, and appeals will be finalised as soon as practicable, but **no later than 60 calendar days** from the date of lodgment.

If, due to exceptional circumstances, ASLI requires more than 60 calendar days to process and finalise the matter, the complainant or appellant will be:

- Informed in writing of the reason for the delay, and
- Regularly updated on the progress until resolution is achieved.

If a complaint is determined to fall outside the scope of ASLI's Feedback, Complaints and Appeals Policy, the Student Support Officer / Complaints and Appeals Officer will inform the student, accordingly, including the reasons for this decision.

ASLI reserves the right to dismiss a complaint if it is determined after fair and objective assessment to be clearly misguided, frivolous, vexatious, or lacking in substance or intent to resolve an issue. In such cases, the student will be provided with a written explanation of the decision and advised of any alternative pathways or external support services available.

**Note:** It is to be noted that ASLI will respond to any feedback, complaint or appeal the overseas student makes regarding his or her dealings with ASLI, ASLI's education agents or any related party that ASLI has an arrangement with, to deliver the overseas student's course or related services

At the conclusion of the resolution phase, the Complaints and Appeals Officer will provide a written notification to both the student and any respondent involved, outlining the outcome of the complaint, the reasons for the decision, and any agreed actions or recommendations resulting from the process.

If the student is not satisfied with the outcome, they have the right to lodge an internal appeal within 20 working days from the date the decision was communicated.

**Record the Decision:** Institute's decision and reasons for the decision will be recorded by the Student Support Officer/Complaints and Appeals Officer in ASLI's Feedback, Complaints and Appeal Register and placed in the student's file.

**If a student is dissatisfied with the outcome of the formal complaint process**, students may initiate an internal appeal process by completing a Feedback, Complaints and Appeal Form from the [www.asli.vic.edu.au](http://www.asli.vic.edu.au) or student administration.

### 5.3. Internal Appeals Process

Internal appeals may arise from several sources including appeals against refund decisions, assessment outcomes, appeals against disciplinary actions and appeals against decisions arising from the complaints. The essential nature of an appeal is that it is a request by student who is dissatisfied with the outcome to reconsider a decision made by ASLI.

An Internal Appeal Process is initiated by a student lodging an Appeal by filling up "Appeals section" in the "Feedback, Complaints and appeals" form available from the Student Administration and/or ASLI website.

#### Acknowledging the Lodging of a Complaint

Appeals will be acknowledged by sending written confirmation to complainant which will be done by the Complaints and Appeals Officer within the designated timeframe.

#### Consideration of Appeal by Complaints & Appeals Officer/ Campus Manager / Training Manager

Where an appeal relates to the following matters, the Student Feedback, Complaints and Appeals Form will be lodged within 20 working days\*

- Notification of an intention to report the student to the Department of Home Affairs (DHA) due to unsatisfactory Course Progress.
- Notification of an intention to suspend or cancel a student's enrolment due to misbehaviour, or other extenuating circumstances (for more details please refer to ASLI's Code of Conduct Policy, Academic Integrity and Misconduct Policy and the Student Handbook which is available on the website and/or the reception).
- 20 working days from the date mentioned on the Intention to Report letter\*. If the student chooses to access this process, the student will not be reported until this process is complete.

## Time Frame and Acting on an Appeal

Within 10 working days of receiving the Feedback & Complaints and Appeal Form, Chief Executive Officer (CEO) will appoint an Investigator or convene a Student Appeal Committee to hear the appeals and propose a final resolution. This Investigator or Committee will not include any person who has heard the original complaint.

- a) Meet with the student (and their support person, if present) and provide the student an opportunity to present their case, supported by any relevant evidence. Students may be accompanied and assisted by a support person at any stage of the appeal process, in accordance with the principles of natural justice.
- b) At the conclusion of the meeting, students will be informed about the timeframe within which the institute will provide a written outcome of the appeal. The timeframe will generally be 10 working days. After the meeting, the Investigator or Committee will, impartially, consider all the evidence and decide.

## Student Appeal Committee

- Compliance Manager
- Training Manager
- Campus Manager

ASLI will ensure that the assessment of any feedback, complaint, or appeal is conducted in a professional, fair, transparent, and culturally safe manner. The process will be student-centred and respect the principles of natural justice and procedural fairness.

The outcome of the appeal will be documented and will include the reasons for the decision. Where the outcome is not in favour of the student, the response will also include information regarding the student's right to access an external complaints and appeals process. Details of appropriate and independent external appeal bodies will be provided at no cost by ASLI.

**Timeframe Notice:** If ASLI determines that more than 60 calendar days are required to finalise a complaint or appeal, the student will be informed in writing, including the reason for the delay. ASLI will also provide regular updates to the student on the progress of the matter until resolution.

## If matter remains unresolved or student is unsuccessful or dissatisfied with the outcome:

There might be cases where matter is still unresolved after the implementation of above procedures and the internal appeals process exhausted, or if the student is not successful in the ASLI's internal complaints and appeals process.

In such cases, institute will advise overseas students within 10 working days of concluding the internal review of the overseas student's right to access an external complaint handling and appeals process without any cost charged by ASLI.

i.e. Students have the right to access an external complaint handling and appeals process without any cost charged by ASLI if they are dissatisfied with the outcome or if the matter remains unresolved.

***Note: Students' enrolment will be kept active until both internal and external appeal is concluded.***

## **5.4. External Appeals Process**

Once the student has been advised of their right to access external resolution mechanisms, ASLI will provide the student with the relevant contact details of an appropriate external complaints handling and appeals body.

ASLI will refer overseas students to the Overseas Student Ombudsman, which provides a free and independent service for international students enrolled with private education providers. This body handles complaints and external appeals about decisions made by providers like ASLI.

The primary role of the external appeals process is to determine whether ASLI has appropriately followed its internal policies and procedures. It does not usually involve overturning academic or administrative outcomes unless procedural fairness has not been followed.

Example: If an international student appeals an assessment result, the external body will assess whether ASLI followed its internal appeal process properly. It will not reassess or remark the student's work.

ASLI will provide all required information to the external appeals body within the specified timeframe and will fully cooperate during the review process.

Once a decision is made, the outcome of the external appeal will be:

- Recorded in the Feedback, Complaints and Appeals Register
- Filed with all relevant documentation
- Communicated in writing to the student

ASLI will implement any recommendations or corrective actions arising from the decision as part of its continuous improvement and compliance obligations.

### **Outcome**

If the internal or external complaints handling or appeals process results in a decision or recommendation in favour of the overseas student, ASLI will immediately implement the required corrective or preventive action. The student will be advised in writing of the outcome and any steps taken to resolve the issue.

A written record of the feedback, complaint, or appeal, including a statement of the outcome and reasons for the decision, will be securely maintained by ASLI in accordance with its records management procedures and continuous improvement processes.

Examples of appropriate external or independent complaint and appeals bodies may include:

- Private conciliators or dispute resolution professionals
- A complaints and appeals body established by a peak industry or professional association
- Representatives from Commonwealth or State/Territory government departments, such as the Office of the Training Advocate
- The Commonwealth Ombudsman (for overseas students in private education)
- State or Territory Ombudsman offices (for public providers)

This ensures ASLI upholds procedural fairness, transparency, and student-focused outcomes in line with its obligations under the Standards for RTOs 2025 and the National Code 2018.

**IMPORTANT NOTE:** The Overseas Students Ombudsman, part of the Commonwealth Ombudsman, provides a free and independent service for overseas students enrolled with private education providers in Australia.

## Appeals related to Deferment, Suspension or Cancellation of Enrolment

Where a student has decided to access the appeals process in relation to deferment, suspension or cancellation of their enrolment, ASLI will not update the student's status or report to the Department of Home Affairs (DHA) via PRISMS until the appeal process is completed. For more information refer to ASLI's Deferment, Suspension and Cancellation policy on our website.

ASLI will maintain all relevant responsibilities until:

- The internal and external complaints processes have been completed, and the breach has been upheld.
- The overseas student has chosen not to access the internal complaints and appeals process within the 24 working day period.
- The overseas student has chosen not to access the external complaints and appeals process.
- The overseas student withdraws from the internal or external appeals process, by notifying the institute in writing.

**Note:** \* Please note that the following procedures do not remove your right to seek other dispute resolution services, or to seek other legal remedies provided by external bodies, such as, the **\*\*Victorian Civil and Administrative Tribunal (VCAT)\*\*** (updated from Dispute Settlement Commission), Consumer and Business Affairs Victoria, or the Victorian Equal Opportunity and Human Rights Commission.
